PRESENTATION/
RETIREES/DECEMBER 2022

President Connie Hudson: Thank you very much, Reverend Flowers. The Reverend mentioned Martha Durant, Chief Staff Attorney. She is one of our retirees today. We also have Dolores Irwin and Susan Lane. I don't think Susan Lane is with us today, but we would like to recognize our retirees if they will please come forward. We have certificates of recognition and lapel pins. Between the three (3) of these retirees for the month of December, they represent sixty-three (63) years and five (5) months of service. We are delighted to have them here today to thank them and to acknowledge them. I see Martha Durant is here. Do we have Dolores Irwin? Is she with us? Okay, Martha, come on down. I can't believe it. You know, the whole time I have been here, Martha has been a part of the fabric of the tenth floor. She is such a wonderful asset to the County. We have so many people that have been retiring; lately, it's just hard to imagine the County without them. That includes you, certainly. We want to recognize your service and let you know how much you're appreciated, how much you're loved, and how you'll always be a part of the County family. This is for your retirement.

Upon your retirement, the Mobile County Commission presents this certificate and wishes to express its sincere thanks and gratitude for your years of dedicated service.

Your wisdom and commitment to excellence have long inspired all of us and will be remembered for many years to come. We wish you good health, happiness, and continued success in your retirement.

- Martha Durant, 18 years 7 months, Chief Staff Attorney, County Attorney's Office
- Dolores Irwin, 17 years 3 months, Accounting Assistant, Community Corrections Center
- Susan Lane, 27 years 7 months, Drug Court Case Manager, Community Corrections Center

---

President Hudson: God bless you, Martha Durant. Did you want to say anything?

Martha Durant, Chief Staff Attorney: No.

President Connie Hudson: Sharee Broussard, Public Affairs Director, do we have any speakers today?

Sharee Broussard, Public Affairs Director: Yes, ma'am. Philip Burton with South Alabama Logistics Park.

President Hudson: Okay. Good morning, Phillip Burton. Come on down. It's good to see you here today.

Phillip Burton, CEO of Burton Property Group, South Alabama Logistics Park: It's good to see you all. It's hard to believe that fifteen (15) months ago, we broke ground on the South Alabama Logistics Park. You all know that has been a five-year endeavor. We are going into our sixth year. Sitting here today, I would not have thought that after fifteen (15) months, we completed the road. We have also completed one (1) facility of two hundred thousand (200,000) square feet that has two (2) new industries moving into town. We have started two (2) other facilities. Sitting here today, we have about seven million (7,000,000) square feet of active projects within the park. It has truly been remarkable the level of interest. It has really positioned the County to be ready for all the industries that want to be here because of our support, but also because of Airbus. It's really exciting, and I just want to say thank you all for your support. Working with the County has been incredible. It has been a lot of work to get us to this point. I just want to thank everyone for their help.

President Hudson: Thank you so much for being here today to share that with us. It's phenomenal, the success. We are so proud to be partners in this endeavor and so grateful for the opportunity to have this business and industry site located here. I know it's been part of your dream for a very long time. You had a lot of vision and convinced us it was the thing to do. We're so glad we were a part of it.

Philip Burton: Thank you.

Commissioner Randall Dueitt: Philip Burton, I just wanted to say thank you as well. Can you tell me how many jobs have been created thus far? I know that Averitt Express is not only moving its facility but expanding its operations in Mobile, Alabama. There's another company out of New York that is moving its entire operation. If I'm not mistaken, they have been in business since the 1950s.

Philip Burton: Yes.

Commissioner Dueitt: They're moving their entire operation from New York to Mobile, Alabama, in South Mobile County, and I'm pretty excited about it. Do you have the number of jobs?

Philip Burton: Today, I would say the range is probably around one hundred fifty (150).

Commissioner Dueitt: Okay.

Philip Burton: If we use that first facility as a baseline for what we could expect in future growth in terms of job creation, I think you can see that number well into the many thousands.

Commissioner Dueitt: Yeah.

Philip Burton: We are just in the infancy of this project. The road has still not been finalized. It's being accepted today, but two (2) companies publicly announced it, and there are many others we are working with. I'm hopeful we will be able to announce those very soon. In five (5) to ten (10) years from now, it will be a completely different world.

Commissioner Dueitt: Yeah. I mean, just to create over one hundred (100) brand new jobs in Mobile, Alabama, in less than one (1) year when as you said, the roads aren't even completed one hundred percent (100%), that's pretty impressive for that site.

Philip Burton: We're very excited. I look forward to making more announcements, and hopefully, that will be sooner than later.

President Hudson: We look forward to that as well. Thank you.

AGENDA #38

COMMISSION ANNOUNCEMENTS AND/OR COMMENTS

Commissioner Randall Dueitt: I just want to mention one (1) thing that I have been working on and wanted to make you two (2) aware. For months, myself and Dana Foster-Allen, Finance Director, met with Sheriff Sam Cochran, Mobile County Sheriff's Office. We also recently started to have these same meetings with Paul Burch, incoming Sheriff of Mobile County Sheriff's Office. We are looking at creating a Park Police Department or park ranger. We haven't really come up with a title. With the amount of money we have invested in our parks, I think we have three (3) major recreational vehicle (RV) parks coming along within our parks; I want to make sure the citizens of Mobile County who visit our parks and the people who visit from other places have a fun and safe experience. I guess I'm bringing it up to you guys so you'll be aware. I didn't want you to be caught off guard by anything. It will probably require six (6) to eight (8) additional deputies. My thoughts are that all of these people would be post-certified law enforcement officers. They would work through the Sheriff's Office. They would be dedicated to the parks. It would be their job to respond to incidents or calls that we may have within our parks and our park system. It will probably require one (1) supervisor position. These will be new positions at the Sheriff's Office.

President Connie Hudson: Have Tina Sanchez, Environmental Services Director, and Matthew Jones, Engineering Manager, been a part of the conversation?

Commissioner Dueitt: Yes. They have been a part of the conversation the whole time. I brought them up to speed this morning on a meeting I had with Paul Burch, incoming Sheriff of Mobile County Sheriff's Office, last week.

President Hudson: I know we have an assessment of all of our parks for master planning purposes. I know we're supposed to be getting recommendations from our consultant. It's supposed to be pretty comprehensive. I didn't know if that was also part of what would be discussed as well to make sure there is some synergy going on here.

Tina Sanchez, Environmental Services Director: Good morning. Yes, ma'am. It's actually a good time for me to bring up that our consultants will be reaching out to us to schedule an on-site meeting. They'll be coming into town soon. We'll be in touch with your offices to schedule those briefings on the status of the plan overall. Commissioner Dueitt and I have talked about the need for security at the parks. I'm happy this conversation is continuing.

Commissioner Merceria Ludgood: Will these be County employees or Sheriff's Office employees?

Commissioner Dueitt: They will be Sheriff's Office employees. They will be deputies, and they will be sworn law enforcement officers. We have security guards at a lot of our parks. They're equipped to handle certain situations. But, when you start talking about camping, and maybe a situation like I used with Tina Sanchez, Environmental Services Director, earlier, is you don't want a park director or a park employee or a security guard approaching someone that you may suspect has been involved in criminal activity or done something illegal. I think it would be best if they contacted; however, we set it up, probably through the Sheriff's Office dispatch, to go and respond to those calls. Not only that, but we also have roaming patrols throughout the day and throughout the night at our parks. That would be their job; they would be dedicated to the parks and patrolling our parks. They would have no other responsibilities.

Commissioner Ludgood: Are you going to be requesting that we increase the Sheriff's budget to provide for the parks' security?

Commissioner Dueitt: That's why I wanted to bring it up because, yes, there is going to be an increase in the additional number of deputies that will need to be funded through the Commission.

President Hudson: I think there definitely needs to be more security at the parks, particularly as we're expanding and improving. There will be a lot more youth. I'm wondering the best way to go about that because some of them are located in such rural areas, like Escatawpa Hollow Park and Campground. If you call someone from the Sheriff's Department, and they're otherwise engaged, it could take them a while to get there. I'm more concerned with having people on-site that are available immediately.

Commissioner Dueitt: We would not get rid of our security guards that we have at these parks. This would just be in addition to them. You're right if you look at River Delta Marina and Campground, Escatawpa Hollow Park and Campground, and Cedar Point Pier and how far apart those three (3) parks are. I would like to have someone who's available. This is all in its infancy. I have been having conversations for probably a year with Dana Foster-Allen, Finance Director, that we have been talking about this. Just kind of in passing and just kind of trying to get something together. Before I continue to go on, I wanted to make you guys aware of it.

Commissioner Ludgood: I agree we do need security. I guess my concern is; first, I am glad you said they will be Sheriff's Department employees because I'm not sure that the County Commission has the authority to set up a law enforcement officer.

Commissioner Dueitt: Yeah, that was my first thought, to have it through the Sheriff's Office. They would be sworn, deputies.

Commissioner Ludgood: I would want, just in your conversations, whatever liability that is going to flow from their actions, I'd want that action to flow to them and not to have us be liable for the conduct of someone that we aren't employing.

Commissioner Dueitt: Absolutely. They would be treated just like any other deputy sheriff that works for the Sheriff's Office. I just wanted to make y'all aware of that. There will be future conversations. I'll bring those through Jay Ross, County Attorney, or through Dana Foster-Allen, Finance Director, or through Tina Sanchez, Environmental Services Director. I just wanted to make you guys aware that I was working on that, and I hope to get your blessings on something in the future on it.

Commissioner Ludgood: I'd be interested in knowing how some of the larger counties like Jefferson County and Madison County handle it. They have large facilities as well.

Commissioner Dueitt: I know the City of Mobile has a Park Police Department and officers that are dedicated to working in their parks. That's where the idea came from.

President Hudson: They are dedicated to working in the parks. Does that mean they have no other responsibility?

Commissioner Dueitt: For the City of Mobile, I'm not sure if they're through the Police Department, but they are called park police. They are a post-certified department.

President Hudson: Is that the same?

Commissioner Dueitt: That would be their primary duty; to patrol our parks and respond to incidents at our parks. You know, if you had an incident where a camper has overstayed their welcome, the last thing I would want, and I've said this a million times, but I have responded to those kinds of things as a police officer. The last thing you want is a security guard or a female employee at the park going to evict an intoxicated camper or whatever the situation may be. That would be a situation where they could pick up the phone, call the Sheriff's Office dispatch, and have the park officer respond. You would not have to pull somebody away from other calls or, in some instances, they're busy and do not have a deputy available to handle that situation. We've had incidents at our parks before that required law enforcement.

President Hudson: Is the Sheriff's Office understaffed?

Commissioner Dueitt: In our conversation with Paul Burch, incoming Sheriff of Mobile County Sheriff's Office, they're about two (2) deputies short right now, maybe four (4). They would be fully staffed if they plan to hire those in the next couple of weeks. Then they will be fully staffed. I have Captain Frank Cassidy, Mobile County Sheriff's Department, who assumed the position of Chief Deputy under Paul Burch, incoming Sheriff of Mobile County Sheriff's Office, do an assessment of what it would take, how many deputies it would take, and a work schedule to do that. I just wanted to bring it up because it will require us to fund those six (6) positions at the Sheriff's Office.

President Hudson: Do you have any idea of what the amount is?

Commissioner Dueitt: Fifty gazillion dollars.

Commissioner Ludgood: Probably. That's what they usually ask.

Commissioner Dueitt: I don't know.

Dana Foster-Allen, Finance Director: Commissioners, we're waiting on the Sheriff's Office to provide a plan.

Commissioner Dueitt: Yeah.

Dana Foster-Allen: Apparently, they have been working on it, and they will provide us with a dollar amount.

Commissioner Dueitt: Yeah.

Dana Foster-Allen: Right now, we don't know. That's what we are working through. I have been involved from a financial perspective only, so that's what I am waiting on from Captain Frank Cassidy, Mobile County Sheriff's Department. He is supposed to provide us with documentation so we can look at it before Commissioner Dueitt makes a recommendation.

Commissioner Dueitt: Again, what this all comes down to is making sure that people visiting our parks have a fun, safe experience. As safe as possible.

President Hudson: Thank you for bringing it to our attention.

Commissioner Dueitt: Sorry to take so long. I just wanted to make sure you guys were aware of it.

President Hudson: Thank you very much. We look forward to getting more information.

President Connie Hudson: We have an Indigent Care Board Meeting next.

Commissioner Randall Dueitt: You didn't ask Commissioner Ludgood if she had anything to say.

Commissioner Merceria Ludgood: She asked me first.

Commissioner Dueitt: Oh, she asked you first.

President Hudson: You just took so long that you forgot.

Commissioner Dueitt: Yeah, I forgot.
