2. To retain a valid driver's license for the type of vehicle to be operated, follow all license restrictions, and keep the license(s) with me at all times while driving.
3. To comply with all County operational rules as well as state and federal vehicle operation laws. This includes any Department of Transportation requirements for CDL drivers, such as successful completion of medical, drug and alcohol evaluations.
4. To notify management immediately if any of the following should occur while operating my personal or County vehicle:
  - a. I receive a citation for driving under the influence of drugs or alcohol.
  - b. I receive a citation for any moving violation.
  - c. My driver's license is suspended or revoked for any reason.
  - d. I am involved in a vehicle accident.
5. I will attend company provided or outside defensive driving courses, if required by the County Commission or Risk Management Coordinator, at my own expense.

I also acknowledge receipt of the Mobile County Motor Vehicle Operations Policy and agree to abide by the policy requirements.
