E-Verify Requirements under Alabama's Immigration Law

The Beason-Hammon Alabama Taxpayer Citizenship and Protection Act, codified at Section 31-13-1, et seq., Code of Alabama (1975), as amended, requires that business entities and employers with whom Mobile County contracts provide proof of enrollment and participation in E-Verify, an internet based system operated by the U.S. Department of Homeland Security, which may be used to determine the eligibility of new hires to work in the United States.

In order to permit the prompt award of contracts, Mobile County requires that all bids be accompanied by the following:

- 1) The attached Affidavit, fully completed and signed in the presence of a Notary Public (affidavits notarized out-of-state must bear the notary's seal); and
- 2) The signature page of the contractor's Memorandum of Understanding with the U.S. Department of Homeland Security or Alabama Department of Homeland Security (contractors having fewer than 25 employees may enroll in E-Verify through the state Department of Homeland Security). For reference, a copy of the County's signature page is also attached.

The following websites provide further information about participation and enrollment in E-Verify: www.uscis.gov/everify and www.VerifyAlabama.gov.
