MOBILE COUNTY COMMISSION

The Mobile County Commission met in regular session in the Government Plaza Auditorium, in the City of Mobile, Alabama, on Thursday, July 10, 2014, at 10:00 A. M. The following members of the Commission were present: Connie Hudson, President, Merceria Ludgood and Jerry L. Carl, Members. Also present were John F. Pafenbach, County Administrator/Clerk of the Commission, Jay Ross, County Attorney, and Joe W. Ruffer, County Engineer. President Hudson chaired the meeting.

INVOCATION

The invocation was given by Commissioner Jerry L. Carl, District 3.

The following is a synopsis of the comments made:

Rema George, retired Alabama State employee, addressed the Commission and said retired state employees have received a bonus, but retired Mobile County employees did not receive a bonus and have not received any raise since 1999. Ms. George said she urges the Commission to seriously consider giving a bonus to County retirees. She said the economy was very tough and the County retirees could really use the money.

The following is a synopsis of the comments made:

Karen Outlaw Atchison, Chairperson, Board of Directors, the Mobile Bay Convention & Visitors Bureau (MBCVB), addressed the Commission and said she was pleased to introduce Al Hutchinson, their new President and Chief Executive Officer (CEO). She said Mr. Hutchinson was from Richmond, Virginia, and a graduate of the University of Alabama. Ms. Atchison said Mr. Hutchinson has more than twenty (20) years of convention and visitors' bureau experience. She said Mr. Hutchinson has worked at the Richmond Metropolitan Convention & Visitors Bureau, the Charlotte Convention Center and the Greater Pittsburgh Convention & Visitors Bureau. She said Mr. Hutchinson comes to them after eleven (11) years at the Virginia Beach Convention & Visitors Bureau. Ms. Atchison said Mr. Hutchinson has a real passion for his work and his enthusiasm was contagious. She invited Mr. Hutchinson to come down to the podium.

July 10, 2014

Mr. Hutchinson addressed the Commission and said thanks to the Mobile Bay Convention & Visitors Bureau's (MBCVB) Board of Directors, for their confidence in hiring him. He said he looked forward to working with the Commissioners in leading Mobile to greater heights. Mr. Hutchinson said he would use his experience and some of the work he has done around the country to help take Mobile to a higher level. He said he was looking forward to partnering with the Commissioners and other great citizens to help bring leisure travelers, sports businesses, conventions and meetings to Mobile, Alabama.

President Hudson said the Commission was delighted to have Mr. Hutchinson in their community and as a leader of the Mobile Bay Convention & Visitors Bureau.

The following is a synopsis of the comments made:

William H. Cobb, Alabama Retired State Employees Association/Alabama Public Employee Association League, addressed the Commission and said he was speaking on behalf of the County retirees in reference to the Alabama Senate Bill 267, "Employees' Retirement System, retirees and beneficiaries, a one-time lump sum additional payment." Mr. Cobb said he served on the Board of Directors in the Retirees Political Action Committee for Mobile and Washington Counties. He requested the Commission to adopt the Resolution Act 2014-429 that states that the Commission would provide all funds necessary to the Retirement System of Alabama (RSA) to cover the cost of the one-time lump sum payment for eligible County retirees and deceased County retirees beneficiaries. Mr. Cobb said Liane Kelly, Executive Director, Alabama Retired State Employees Association, worked very hard with the Retirement Systems of Alabama (RSA) and the Legislators for the passage of the Alabama Senate Bill 267. He said Ms. Kelly had originally proposed an increase of 1 percent, but she found out it would not pass so she proposed the one-time lump sum payment. Mr. Cobb said the bonus was based on two dollars (\$2.00) for each month of a retiree service, for instance; a retiree who worked twenty-five (25) years would get six hundred dollars (\$600.00), and the beneficiary would get three hundred dollars (\$300.00). He said counties, cities and municipalities that participate would have two (2) years to pay back the money, September, 2016. Mr. Cobb requested the Commission to adopt the resolution before the deadline of August 31, 2014 or the County retirees would not receive the bonus.

President Hudson thanked Mr. Cobb for sharing that information and she asked John Pafenbach, County Administrator, if he had copies of the information Mr. Cobb referenced concerning the Alabama Legislature Act?

July 10, 2014

Mr. Pafenbach said yes. He said he has forwarded the information to the Finance Department and they were looking at it in the process of developing the County FY2015 Budget.

AGENDA #17

RESCIND ACTION/AGENDA ITEM #16/MAY 27, 2014
MINUTES/EXCLUSIVE OPTION AGREEMENT TO
PURCHASE REAL PROPERTY/HALLS MILL ROAD,
NORTHWEST CORNER OF INTERSTATE 65 (I-65)
AT INTERSTATE 10 (I-10)/SOCCER FIELD SITE

The following is a synopsis of the comments made:

President Hudson requested Jay Ross, County Attorney, to explain the Commission action on Agenda Item #16, in the May 27, 2014 Minutes, explain the reason for the rescission and explain the difference between the proposed option and the existing option.

Mr. Ross said the Commission action on Agenda Item #16, in the May 27, 2014 Minutes, was based on the belief that all twelve (12) property owners were in agreement with the option to buy back the property at the purchase price if the County elected not to develop the property for whatever reason into soccer fields and aquatics' activities after five (5) years of purchase. He said they were rescinding that action because the property owners were not unanimously in agreement to buy back the property at the purchase price if the County had not developed it after five (5) years of purchase. Mr. Ross said the purchase price was the same, the changes were made to the option agreement. He said the proposed option agreement was for two (2) years, and if the County elected to exercise that option during the first-year, it would cost six thousand dollars (\$6,000.00). Mr. Ross said if the County elected not to purchase the property during the first-year for whatever reason the option money of six thousand dollars (\$6,000.00) would be refunded. He said if the County needed additional time for whatever reason they could buy three (3) four-month extensions at the price of \$10,000.00 for each four-month period, and if the County elected to buy the property the earnest money deposit of thirty-six thousand dollars (\$36,000.00) would be credited toward the purchase price. Mr. Ross said if the Commission elected not to buy the property they would lose the earnest money of thirty-six thousand dollars (\$36,000.00). He said the property owners

July 10, 2014

have the option of buying back the property at fair market value, but if the property owners elected not to, the County was free to do what they wanted with the property. Mr. Ross said the difference was the purchase option was not an automatic agreement of the property owners to buy back the property, but in return the County received a reduction in the earnest money deposit and a reduction in the realtor and broker fee from 5 percent to 4 percent. He said he believed the agreement in the May 27, 2014 Minutes was unanimous, but it turned out that all the property owners did not consent. Mr. Ross said the proposed option agreement met the approval of all the lawyers representing the property owners and the realtor.

President Hudson said two (2) years was ample time to get all the necessary permits and information needed to make a decision on whether to purchase the property.

Mr. Ross said he spoke with John Murphy, Neel-Schaffer Inc., and two (2) years was sufficient time. He said the County could buy any time between now and two (2) years.

Commissioner Ludgood moved, seconded by President Hudson, that the Board rescind action on Agenda Item #16 in the May 27, 2014 Minutes, related to the exclusive option to purchase real property located at Halls Mill Road, northwest corner of Interstate 65 (I-65) at Interstate 10 (I-10) with earnest money in the amount of \$10,000.00 for the soccer field site.

AGENDA #18

APPROVE EXCLUSIVE OPTION AGREEMENT/PURCHASE
REAL PROPERTY/BERG GROUP AND WHITE-SPUNNER/HALLS
MILL ROAD, NORTHWEST CORNER OF INTERSTATE 65 (I-65)
AT INTERSTATE 10 (I-10)/PROPOSED SOCCER FIELD SITE

The following is a synopsis of the comments made:

Commissioner Ludgood asked Jay Ross, County Attorney, was he sure it was earnest money? She said she thought they were paying for an option?

Mr. Ross said they were paying for the option. He said if the County exercised the option and purchased the property, the money would be credited toward the purchase price.

July 10, 2014

Commissioner Ludgood said the agenda item should be worded "up to" because they may not exercise the additional option.

Mr. Ross said he agreed and would give John Pafenbach, County Administrator, the correct language to word the agenda item.

President Hudson asked if the "earnest money" language should remain in the wording of the agenda item?

Mr. Ross said the language should be worded to read "up to" thirty-six thousand dollars (\$36,000.00).

Commissioner Ludgood said they were paying for an option and by the agreement it turns into earnest money if they decide to exercise the option.

Mr. Ross said that was correct.

(End of synopsis)

COMMITTEES PARTNERSHIP (IMCP) INITIATIVE

The following is a synopsis of the comments made:

President Hudson said the agenda item would allow the County to move ahead with the ability to apply for and acquire grants. She said Mobile was one (1) of twelve (12) communities in the country to be designated by the United States Department of Commerce as a manufacturing community. President Hudson said it was money well spent because approximately \$1.2 billion has been allocated for the

July 10, 2014

program and the United States Department of Commerce look at manufacturing communities first when considering grant allocations.

Commissioner Ludgood said any grant the County applies for needs to show them as a manufacturing community because it gives them preferential treatment particularly in the eleven (11) agencies. She said it should be on all grant applications including those for infrastructure and transportation money.

(End of synopsis)

Commissioner Carl moved, seconded by Commissioner Ludgood, that the Board adopt the following resolution:
