AGENDA #42

COMMISSION ANNOUNCEMENTS  
AND/OR COMMENTS

President Hudson announced the names of the following employees who are retiring June 1, 2012: Georgia McCann, Mobile County Sheriff's Department, who has been with the County for over eighteen (18) years; and Martha Hill, who has been with the Revenue Commission Office for over thirteen (13) years. She thanked them for their many years of dedicated service to the citizens of Mobile County. President Hudson congratulated them and wished them her best. She said in the future she would like for employees who are retiring to be present in the meeting so the Commission could formally recognize them.

President Hudson said Friday, June 1, 2012, is the grand opening and ribbon cutting for the Mobile County Commission Employee Health Center, located at 3925 Michael Boulevard, Suite A, Mobile, Alabama. She said the opening ceremonies will be from 10:00 A. M. to 2:00 P. M.

Donna Jones, General Services Director, said the Commissioners would kickoff the health risk assessment screening at the grand opening ceremony. She said the week of June 18, 2012, they would do a blitz for County Employees at four (4) locations and after that the health risk assessment screening would be available at the Mobile County Commission Employee Health Center for County Employees, their spouses and adult children who are on their health insurance plan.

President Hudson thanked Ms. Jones and complimented her for the great job she has done, along with John Pafenbach, County Administrator, and the staff for working on it.

President Hudson congratulated Nancy Johnson, Public Affairs Director, and Dena Pollard, Public Affairs Officer, for the brand new, hot off the press, wonderful, Mobile County Parks Brochure. She said it highlights the parks throughout Mobile County and the parks that are City maintained throughout Mobile County. President Hudson said the brochure also includes the services the parks provide. She thanked Ms. Johnson and Ms. Pollard again, for

May 29, 2012

the wonderful job they have done.

Commissioner Dean asked Ms. Johnson if she would provide him with a few of those brochures?

Ms. Johnson said yes.

Commissioner Dean said Ms. Johnson should have let all the Commissioners review the parks brochure before distributing it to the public. He said this was his first time seeing it and she should have let him look at it beforehand, but next time she should make sure he receives one.
