MOBILE COUNTY COMMISSION

The Mobile County Commission met in regular session in the Government Plaza Auditorium, in the City of Mobile, Alabama on Monday, September 26, 2022, at 10:00 a.m. The following members of the Commission were present: Connie Hudson, President, Randall Dueitt and Merceria Ludgood, Members. Also present were E. Edwin Kerr, Deputy County Administrator/Clerk of the Commission, Jay Ross, County Attorney, and W. Bryan Kegley II, County Engineer. President Hudson chaired the meeting.

President Connie Hudson: This meeting of the Mobile County Commission is now called to order. If you would, please stand for the invocation, which will be given by Father Jamie McElroy of St. Luke's Episcopal Church on Azalea Road. If you would, please remain standing for a moment after the invocation and before we do the pledge of allegiance for a moment of silent prayer for one of our employees, Donald Dixon, Road and Bridge Division Transportation Superintendent. His wife, Janet, passed away this weekend. Also, we want to keep in our prayers the family of Darrell Driskell. He is the father-in-law of Alabama State Senator David Sessions. Mr. Driskell was a very prominent farmer in West Mobile County. We want to remember his family as well.

INVOCATION

The invocation was given by Father Jamie McElroy, St. Luke's Episcopal Church, 1050 Azalea Road, Mobile, Alabama 36693.

President Connie Hudson: This morning, we have two resolutions to present. The first is in honor of National Hispanic Heritage Month, and that will be presented to Frank Barragán, South Alabama Organizer for Alabama Coalition for Immigrant Justice and Mobile Latin Fest. I know he has a guest he would like to introduce as well. Also, after that, we will ask Virginia Guy, Executive Director, and Vandilyn Pierre, Program Director of the Drug Education Council, to come forward and be presented a resolution in honor of Red Ribbon Week.

September 26, 2022

Frank Barragán, South Alabama Organizer for Alabama Coalition for Immigrant Justice and Mobile Latin Fest:

This is Katie Rona. She is part of the United Methodist Church. She is an organizer throughout the Gulf Coast area. Thank you for your support. I also have a leader, Ileana Gomez. She has been very supportive. She is one of the proprietors of La Margarita Restaurant off Moffett Road, Semmes, Alabama. I can't believe I have notes because I never do. It's because I feel honored to be here to represent the culture, to represent the people, and I want to give a little history of Hispanic Heritage Month.

I'm not going to read it all, but it's from September 15th through October 15th. We became independent through Spaniard's Colonial in 1821, which includes the countries of Mexico, Guatemala, El Salvador, Costa Rica, Honduras, and Nicaragua. They became the Federal Republic of Central America. In reality, being recognized as Hispanic Heritage Month, we represent everybody. We represent you. We represent every culture in the United States because we all belong. We all develop. We all do a lot of things to make sure that we're very proud of the United States of America. We are citizens. I want to tell you that we have a lot of organizations in our County that love this County. I brag, and if I'm wrong, I'm not going to apologize, but we have one of the biggest international festivals in the State of Alabama. No ethnics. They all represent their culture and country, and that says a lot to our community here in Mobile County. That says a lot about who we are and who we represent; not only our culture but our County and our United States of America. Please remember this; we are citizens of the United States of America, but we have our culture. Our culture, like every other culture, is important to us.

We want to be proud and show you who we are. Where did my father come from? He was non-documented through the 1970s and only became a citizen because he wanted to divorce my mother. You can't get a divorce unless you're a citizen. My heritage is I am a descendant of Mexico. I am very proud of who I am, I am very proud of my ancestry, and I am very proud of my family and all of us in our culture. I'm starting to stutter, but really, not only does this County, this City, and this State mean so much to us, but it's ours. We take ownership. I say that with honor. I say that with privilege. We're not going anywhere. The only thing that will change, and this is not a threat to you three (3), is that we're not here. We need to get our youth involved in our government. Again, it's not a threat; we need to move forward, and that's part of our agenda. Thank y'all so very much.

PRESENT RESOLUTION/MOBILE COUNTY
RECOGNIZES NATIONAL HISPANIC
HERITAGE MONTH/SEPTEMBER 15, 2022
THROUGH OCTOBER 15, 2022

WHEREAS, the Mobile County Commission does hereby recognize National Hispanic Heritage Month, being celebrated September 15, 2022 through October 15, 2022; this year's theme - "Unidos: Inclusivity for a Stronger Nation" - invites Hispanics to embrace their backgrounds, to be proud of who they are and where they came from; and

WHEREAS, Hispanic Heritage Week, which began in 1968 under President Lyndon Johnson, was expanded to National Hispanic Heritage Month by President Ronald Reagan and enacted into law in 1988 to cover a 30-day period starting on September 15th, the day which represents the anniversary of five (5) Latin American countries; and

WHEREAS, with the term Hispanic or Latino or Latinx referring to Puerto Rican, South or Central America, or other Spanish culture or origin regardless of race, Hispanic Americans have helped to shape our communities throughout Mobile County and have had profound influences through a strong commitment to family, faith, and community, an enduring work ethic and their many contributions to society;

NOW, THEREFORE, LET IT BE RESOLVED that the Mobile County Commission proclaims September 15, 2022 through October 15, 2022 as:

National Hispanic Heritage Month

in Mobile County; we acknowledge the traditions and customs of many different Hispanic regions; furthermore, we recognize the roles and contributions Hispanics have made to local and national economies, culture, and identity.

President Connie Hudson: Okay, ladies, please join us. Of course, these two (2) are no strangers to this community. They have been for many years advocates with the Drug Education Council and have been in all of the education programs to help citizens and young people alike to understand the pitfalls of drug abuse and alcohol abuse. We are so very grateful to have you here today and to have you in this community doing what you do. In honor of Red Ribbon Week, which I guess is the largest national drug education prevention awareness program in the country. I have been participating in it, even back at the school level, when I was a member of the Parent Teacher

September 26, 2022

Association (PTA) for many years. We want to recognize Red Ribbon Week and the outstanding work that you do.

PRESENT RESOLUTION/DRUG EDUCATION
COUNCIL/MOBILE COUNTY RECOGNIZES
RED RIBBON WEEK/OCTOBER 23, 2022
THROUGH OCTOBER 31, 2022

WHEREAS, alcohol and drug abuse affect individuals, families, and communities across the nation; and

WHEREAS, it is imperative that visible, unified efforts by community members be launched to prevent drug abuse; and

WHEREAS, each fall, Red Ribbon Week is celebrated across America to promote the importance of a healthy, drug-free lifestyle among our youth. Red Ribbon Week offers citizens the opportunity to demonstrate their commitment to drug-free lifestyles; and

WHEREAS, this year's National Red Ribbon Week is October 23, 2022 through October 31, 2022; however, the Drug Education Council will kick-off the observance with the Red Ribbon Leadership Awards on September 26, 2022, with the theme: "We Love Our Veterans and First Responders!" and

WHEREAS, businesses, government, law enforcement, media, health care providers, religious institutions, schools, and other community-based organizations will demonstrate their commitment to healthy, drug-free lifestyles by wearing red ribbons and participating in drug prevention activities; and

WHEREAS, Mobile County further commits its resources to ensure the success of Red Ribbon Week;

NOW, THEREFORE, LET IT BE RESOLVED that the Mobile County Commission applauds the efforts of the Drug Education Council; and furthermore, encourages residents to participate in drug prevention education activities, not only during Red Ribbon Week but also throughout the year, making a visible statement that we are strongly committed to a drug-free lifestyle.

September 26, 2022

President Hudson: Thank you, ladies.

Virginia Guy, Executive Director, Drug Education Council: I want to thank you so much for this. Very few families in our community have not been impacted by the devastating consequences of drug addiction, particularly with the alarming rise in overdose deaths. We know that prevention messages are more important than ever, as, in any chronic and potentially fatal disease, prevention is always the best answer. This means more than ever. We have turned Red Ribbon Week into a yearlong project. We know there are a lot of things that can prevent children from using drugs. One thing is to be given leadership opportunities and an opportunity to do community service. We will have students throughout our community as our student leaders and also doing community service projects recognizing all of our veterans and first responders. Thank you so much, and I appreciate the County Commission's support through the years.

September 26, 2022

President Connie Hudson: Do we have any speakers signed in this morning?

Sharee Broussard, Public Affairs Director: Yes, ma'am. We have several speakers signed in to speak to you guys this morning.

President Connie Hudson: Good morning.

Delaney Zimlich, Fowl River Area Civic Association:
Good morning. I am with the Fowl River Civic Association. I am here to speak on behalf of our association to thank the Commission for appropriating the money for our handicap ramp at our Fowl River Community House. We have had a ramp for many years that is in disrepair and getting an Americans with Disabilities Act (ADA) ramp to allow citizens like me who are physically disabled to access our community house. I just want to thank y'all for the money. It's really important to me as a citizen of Fowl River to be able to access our community and to be able to be involved in community events at our community house.

President Hudson: Thank you so much for being here today. We are so glad that you find the ramp very helpful. We are glad to be a part of whatever we can do to assist. Thank you for being here.

Commissioner Randall Dueitt: Jenni Zimlich, Fowl River Area Civic Association, and Delaney Zimlich, Fowl River Area Civic Association; thank you guys for being here. Fowl River is a very important community in my District. Thank you for your hard work and the background work you put in for this ramp at the community center. Thank you.

Renae Lee, 8091 Centeridge Drive, Wilmer, Alabama 36587: Good morning. I am not sure if I should even be here, but I am concerned about my neighborhood. We have covenants and restrictions, and it allows for no mobile homes. I just received the letter in my mailbox today about the Commission Meeting. I'm not sure what it's about, but we have a lawyer. There is land that was sold in the neighborhood. The parents also live in the neighborhood, so they are aware of the covenants and restrictions. The real estate agent even listed the land for sale to bring your mobile home. She didn't even go through the records of Mobile County to see if there were any covenants and restrictions. I saw the mother in the grocery store, and she told me her daughter, Lacey, had

September 26, 2022

bought the land and was going to build a house. I congratulated her and was happy for her. I went on vacation, and when I came home, there was a trailer on the lot. I represent four (4) other neighbors in our neighborhood. I'm not sure what the plat and the survey are about, but I wanted to say that we are against this. I was raised in a trailer park. I have nothing bad to say about trailers or anything like that, but I went to school and raised my daughter on my own. I fell in love with the house and land there and purchased this home. Now, eighteen (18) years later, every time I come down the street, I see this used mobile home. It makes me very unhappy to see it. I had planned to retire there, and now I have to look at this.

President Connie Hudson: Thank you, Ms. Lee. I don't know if Matthew Barclift, Engineering Development Manager, is familiar with this. I will say that the County Commission does not have the legal authority to enforce covenants and restrictions.

Renae Lee: Yes, ma'am.

President Hudson: You may be aware of that. Matthew Barclift, Engineering Development Manager, can speak to it. Are you familiar with this project development or this neighborhood development, and is there anything you can add to speak to that?

Matthew Barclift, Engineering Development Manager: It's a minor subdivision, and no, ma'am. I was going to mention we don't have the authority to enforce covenants and restrictions as they remain a civil issue.

President Hudson: It's a civil issue. If the neighborhood covenants and restrictions do not allow for this, then it would be between neighbors to handle that legally because the County Commission does not have any legal authority. I'm sorry. I wish there were something we could do to help you, but in this instance, we're bound by the law.

Renae Lee: Alright. Thank you very much for listening to me.

President Hudson: Thank you for being here.

Monica Hamilton, Two Mile Road, Grand Bay, Alabama 36541: I live on Fern Lane off of Two Mile Road in Grand Bay, Alabama.

September 26, 2022

Alec Cheyenne Grissett, 10971 Two Mile Road, Grand Bay, Alabama 36541: Good morning, Commissioners.

President Connie Hudson: Good morning.

Alec Cheyenne Grissett: I'd like to address this topic by stating I have lived there for thirty (30) plus years. The drainage on this road is absolutely ridiculous. It's something we have been battling. My daddy fought this battle for I don't even know how long. It was a long time. He has been dead for ten (10) years. He has talked to every Commissioner ever seated before you, Commissioner Randall Dueitt. They always told us that it's going on the Pay-As-You-Go Program. Once the technology became more advanced to where you could just check on stuff yourself, we found that pretty much all that was just smoke, mirrors, and a lie. They never put us on a Pay-As-You-Go Program.

This was a petition I started in 2010 or 2011. I went around to survey roads myself, weeding it out and everything. At that time, I found five (5) dead-end roads seven-tenths (7/10th) of a mile or less of being paved. It's more than that now. Every road around us has been paved. We have been told everything under the sun; you know, engineering, blah, blah, blah. My dad was in contact with all of them throughout the years. They put the meter reader down to see how much traffic flows through there. Somebody has the records that they actually monitored like they said they would. I am kind of skeptical that it might have just been to pacify my dad to get him off their backs at the time. It's the main thoroughfare. There used to be two (2) buses that came through there. If a bus went down the road, you couldn't pass because it's so narrow in places. Our road sits where people that are kind of in between Irvington and Bayou La Batre that live in Saint Elmo and Irvington. They use it to go to Ingles and the other shipyards in Mississippi. It gets nonstop traffic. The drainage is horrible. There are no ditches and nowhere for the water to go. The County has come out there, and they keep building it up.

Monica Hamilton's yard is so bad. When we went through forty-something days of rain in Grand Bay, her front yard looked like a lake. There is nowhere for it to go. Mine sometimes gets red dirt into my front horse pasture from all the road water backing up and being forced onto my property. Not everybody could make it, but we don't understand why we're not that important as citizens of Grand Bay. Why do they go around and pave dead-end roads that lead to nowhere? It's absurd that we have to live like this. I've been there for over thirty (30) years. I have videos and pictures on my phone of me and my brother going out there with shovels and a wheelbarrow to open up ditches to create drainage. I know I'm not supposed to do it, but somebody has to alleviate the

September 26, 2022

problem. They can't drain it anywhere. There's nowhere for it to go. For my property, I opened it up to where it went into a natural drainage into an old cattle pond or something to that effect. It's just bad. We have spent thousands and thousands of taxpayers' dollars hauling rock and gravel to build it up in the middle just to force it back onto our properties. Why? It makes no sense when it's probably a one (1) mile stretch of property that could be paved. We met with former Commissioner Jerry Carl. He came down and had a meeting at our church. His excuse was it didn't make sense to pave on the other side of Fern Lane. We told him at that meeting we do not want the other side of Fern Lane paved because it's nothing but agricultural property. It makes no sense for taxpayers to pay for something that just goes to the fields. We ask will y'all please come out and take a look at this, be sincere, and see if we can get some help. We need this road paved.

President Hudson: Thank you. Commissioner Dueitt, would you like to speak to that or have the Public Works Department?

Commissioner Randall Dueitt: I will speak to it personally. I'll also have Richard Mitchell, Public Works Director, speak to it. We have been out. No one has been putting things out and not monitoring the road. I think Richard Mitchell, Public Works Director, can probably explain a lot better than I can with the drainage. I know he and Neal Howard, Deputy Public Works Director, have been out numerous times. I have received emails, and I went through also and checked the number of complaints we had on that road. At the time, we responded and addressed the issues as they came along. I think at the time; there were thirty-two (32) or thirty-four (34) complaints when I checked with the Public Works Department. Each of those complaints had been addressed as best we could. I'll let Richard Mitchell, Public Works Director, explain some of the issues.

Richard Mitchell, Public Works Director: They are correct. The drainage out there is poor. We do not have the right-of-way in that location. That is prescriptive; therefore, we can't dig ditches and divert the water. We do the best we can with the right-of-way we do have, which is prescriptive.

Commissioner Dueitt: That means the ditches aren't the County. I live on a dirt road as well. I live on a prescriptive dirt road, so I know a little bit about it. There are no ditches. We don't have the authority or the legality to dig the ditches out because our right-of-way ends where the edge of the road ends. That's pretty much some of the issues. The other issues are I think that as we built the road up as requested by some of the residents

September 26, 2022

on the road, it pushes the water into yards like Monica Hamilton's. I think every time we built the road up, it was at the request of a resident on that road. Is that correct, Richard Mitchell, Public Works Director?

Richard Mitchell: Yes, sir, that is correct.

President Hudson: Is there anything else that can be done to assist that hasn't been done at this point?

Richard Mitchell: Not within the restrictions that we have.

President Hudson: Not within legal?

Richard Mitchell: Not within the restrictions of the right-of-way.

President Hudson: Okay. Do we not have a prescriptive right-of-way?

Richard Mitchell: We have prescriptive property, which is the edge of the dirt road to the edge of the dirt road. That's all we have in that area.

President Hudson: Is there any advice that could be offered to these residents so they can improve their situation?

Richard Mitchell: No, ma'am. It's flat out there with very poor drainage throughout the area.

Commissioner Dueitt: It's not that we're not acknowledging that you are correct. I'm not saying you're not. I have sat down with Richard Mitchell, Public Works Director, and Neal Howard, Deputy Public Works Director, on numerous occasions since I have been in this position and attempted to address the issue. It's a difficult situation with the location of Two Mile Road in that area.

Alec Cheyenne Grissett: I understand y'all have addressed it and hauled in the dirt. I think the problem would be resolved if we paved it. That would solve everything. It would eliminate doing maintenance and eliminate all of the money that has been spent on maintenance for my thirty (30) years plus thirty (30) more years down the road. If we paved it, it could run down the side of the pavement to a drainage somewhere. I know there's some natural drainage there. I have lived there for a long time. The second thing I would like to address is the subdivision on the west end of Two Mile Road had an old cattle pond. When the developers decided to build their three hundred thousand dollars (\$300,000.00) homes out there, they manicured the pond, and their overflow drains to our road. I have videos of this past rain where

September 26, 2022

it's just running out of their drainage ditch into our road. They don't live there, so they don't have to deal with it; we do. Then y'all have to come back and fix what they created. Is it not against the law to drain a pond into a public road? I don't know the law; I am just asking. Every time it rains, their overflow comes on us. I think they should have been made to come up with another solution or fill their pond in when they developed it. It didn't happen. The subdivision has been there for about fifteen (15) years. Every time it rains, we get the brunt of it out of their subdivision. That is something that should be addressed. I think the whole resolution would be to pave the road, put it on the Pay-As-You-Go Program, pave it like all of the other citizens of Grand Bay, and then you won't ever hear from me again. That has been the lie for twenty (20) years that they are going to put it on the Pay-As-You-Go Program. They lied and didn't do it.

Commissioner Dueitt: I never said I would put it in the Pay-As-You-Go Program.

Alec Cheyenne Grissett: Not you, sir.

Commissioner Dueitt: I will certainly sit down with Public Works and see if we can come up with some other resolutions. I'll sit down with the County Engineer and also check to see if it's potentially a road we could put on the Pay-As-You-Go Program with the problems of the right-of-way issues.

Alec Cheyenne Grissett: That is what needs to happen. I know I don't have a lot of time.

President Hudson: Yeah, I think we're out of time.

Alec Cheyenne Grissett: I travel on that road.

President Hudson: Thank you so much for being here.

Sharee Broussard, Public Relations Director: There are no more speakers.

President Connie Hudson: If we can pause for just a moment. One of our retirees, Maria Colvin, is here. She is in the back. I am so sorry we missed you. I did not see you up there. Thank you so much for your years of dedicated service. You will be greatly missed, and we wish you the best. Commissioner Ludgood is delivering your certificate.

September 26, 2022

President Connie Hudson: I also see License Commissioner Nick Matranga. It's nice to see you. Mr. and Ms. Reach, it's always a pleasure to see you. I do apologize. I'm sorry I did not see you.

AGENDA #19

ADOPT MOBILE COUNTY BUDGET FISCAL YEAR 2023/
OCTOBER 1, 2022 THROUGH SEPTEMBER 30, 2023

President Connie Hudson: I have a comment I wanted to make. First of all, I wanted to say a big thank you to our Finance Department and Administration and for all the hard work Dana Foster-Allen, Finance Director, and her team have done to bring this to fruition. This is no small effort to every year propose a budget and bring that forward and include everything involved in putting together a budget. Know how much we appreciate you. We appreciate the support and help of the Administration. I think this budget is monumental in a lot of respects. I think it's historic. It's the largest budget the County has ever had. I think in terms of what it offers the community and benefits, it is certainly balanced in the respect that it allows the Commission to be able to retain and recruit employees. I think the five percent (5%) raises the two thousand five hundred dollars (\$2,500.00) one-time non-recurring salary adjustment and also absorbs the six and one-half percent (6.5%) increase in health insurance benefits. I think all of that together is certainly beneficial to the employees. Not only does it let employees know how much we appreciate the work that you do, but we want to keep you working for the County. We're hiring, and we're bringing in new

September 26, 2022

people. It allows the Commission to continue to do that and stay competitive.

Also, another focus of this budget is the Capital infrastructure in our community for the quality of life. You know, for a community, you have to provide a certain quality of life amenities and resources to continue to be competitive, especially in a large urban community like ours. A lot of what is being proposed in this budget and paid for, much of it by carryover and from increases in revenue because of sales tax and property assessment values, all of that together has allowed us to be able to address some of these issues that we never really addressed straight forward this way in the quality of life, recreational amenities, infrastructure, historic preservation projects, and things like that add to the betterment of our whole community for all of our citizens.

I am really pleased with this budget. I appreciate all of the work the Commissioners have done by giving the Administration input. We have all had a great amount of input on this. Today is the culmination of that. I am glad we're ready to move forward.

Commissioner Dueitt moved, seconded by Commissioner Ludgood, that the Board adopt the Mobile County budget for the Fiscal Year 2023, effective October 1, 2022 through September 30, 2023 as follows:

WHEREAS, it is the desire of the Mobile County Commission to adopt a budget for the operation of the Mobile County government, including the General Fund and the Road and Bridge Fund; and

WHEREAS, it is also the intention of the Commission to make certain appropriations and approve contracts necessary to expend funds authorized in the budget;

NOW, THEREFORE, the premises considered, the Mobile County Commission does hereby adopt the following budget for the various County funds for the budget year October 1, 2022, through September 30, 2023; and

BE IT FURTHER RESOLVED, that the Commission does hereby approve the various appropriations and contract amounts budgeted to be contracted for and appropriated to the various agencies without further action of the County Commission; and

BE IT FURTHER RESOLVED, that the President of the Commission or, in the absence of the President, the Vice President, is hereby authorized to sign these various

contracts, and the County Administrator is also authorized to attest the same; and

BE IT FURTHER RESOLVED, that no further action shall be required of the Commission to authorize expenditures or appropriations pursuant to any contract or appropriation adopted and approved pursuant to said budget and this resolution.

WHEREAS, it is the desire of the Mobile County Commission to adopt a Resolution to specify certain allotments contained within the Budget for the 2023 Fiscal Year, to foster the operation of the Mobile County government, as approved by the County Commission at its meeting on September 26, 2022; and

WHEREAS, it is also the intention of the Commission to increase the compensation of certain employees, as authorized by the aforementioned Budget and approved during the same meeting noted above;

NOW, THEREFORE, the Commission approves the following: A cost-of-living increase of five percent (5.0%) effective October 15, 2022, for all employees, which will be reflected in November 4, 2022, scheduled pay for bi-weekly employees; and,

A one-time non-recurring benefit of \$2,500.00, for all full-time employees and \$1,250.00 for all part-time employees on the payroll through October 14, 2022, including employees in their working test periods as well as employees on military leave or unpaid leave, but not including unskilled laborers, provisional, temporary, supernumerary or seasonal employees, to be paid out on October 21, 2022;

COMMISSION ANNOUNCEMENTS
AND/OR COMMENTS

There were none.

E. Edwin Kerr, Deputy County Administrator: We need a correction or a clarification on Agenda Item #37. Just to clarify for the record, the purchase of the two and a half (2.5) acres will be from District 2 funds?

President Connie Hudson: That is correct.

Jay Ross, County Attorney: It is also two and five hundredths (2.05) acres.

President Hudson: It's a Community District Project.

Commissioner Merceria Ludgood: I was going to let it go, but since we are back there, probably pending final legal review of the Office of the County Attorney, in case Jay Ross, County Attorney, is on vacation.

Jay Ross: For which one, Commissioner?

Commissioner Ludgood: For Agenda Item #37. In case you are on vacation and are not available to approve this since it has to be approved by you.

Jay Ross: It didn't pop up until the last minute.

September 26, 2022

Commissioner Ludgood: Can we just change the pending final legal review by Jay Ross to the pending final legal review by the office of the County Attorney?

Jay Ross: We'll correct it.

Commissioner Ludgood: It's in case you are somewhere.

Commissioner Randall Dueitt: In case you get fired is what she is trying to say, Jay Ross, County Attorney.

Jay Ross: I didn't hear a second on that, Commissioner.

Commissioner Dueitt: I don't know what she is alluding to.

President Hudson: Jay is always at work.

Commissioner Dueitt: It sounds like she is trying to get a motion for termination.

President Hudson: We never give him a day off.

Commissioner Dueitt: Do we need to revote on that?

President Hudson: Why don't we go ahead? Can you read it through with the corrections, please? We'll withdraw the previous approval.

Commissioner Randall Dueitt: Do we need to vote to rescind the previous motion? Is that necessary?

President Connie Hudson: I don't know. Should we? Probably should.
