MOBILE COUNTY COMMISSION

The Mobile County Commission met in regular session (Combined Conference/Meeting) in the Government Plaza Auditorium, in the City of Mobile, Alabama on Thursday, February 10, 2022, at 10:00 A.M. The following members of the Commission were present: Merceria Ludgood, President, Connie Hudson and Randall Dueitt, Members. Also present were Glenn L. Hodge, County Administrator/Clerk of the Commission, Jay Ross, County Attorney, and W. Bryan Kegley II, County Engineer. President Ludgood chaired the meeting.

INVOCATION

The invocation was given by Queen Gregory, Information Specialist, Public Affairs Department.

Ben Reynolds, Mobile City Council Member, District 4:

Good morning. I am here to speak on Agenda Item #22 regarding the purchase of the Linksman Golf Course. I wanted to come here today to make it known to all of you how important this is to our community, our city, and our county. This will preserve our community for years and years to come. I also wanted to share a few facts that you may have connected the dots on. I grew up in south Mobile County and went to Theodore High School. My dad was a golfer. Every opportunity I got to play with him, I took advantage of it. When I was growing up, there were several places for us to play golf. In our general area, we had Bay Oaks Golf Course in Irvington, Alabama. We had Linksman Golf Course, which we played on frequently. We also had Gulf Pines Golf Course. None of those exist today. Now we have the opportunity before our city, our county, on behalf of our youth and everyone else plus golf enthusiasts to restore our golfing community in south Mobile County. This project, as I've heard in discussions, includes much more than golf. It includes access to our rivers and our waterways, which is very important to me as well, to make sure we preserve our rivers and waterways. We can get Dog River on a course to make it more accessible and a better place to live, work and play. I ask all of you to vote in favor of this today. I thank y'all so much for giving me the opportunity to speak.

C.J. Small, Mobile City Council Member, District 3:

Good morning. It's good to be in this meeting now. I am used to seeing it on the television. I have never been here in person before.

President Merceria Ludgood: We have seen y'all in person.

C.J Small: It's so good to have a relationship with Mobile County. Our partnership is really great. As my colleague has stated with this particular item we're looking at, many citizens want water access. They want to get to our water. One thing that we have issues here in Mobile, Alabama, is that we have a hard time telling our story because we don't tell it. The beauty we have, especially on Dog River and Mobile Bay, where else can you find that? I have had an opportunity to bring several conventions to Mobile, Alabama. When people get here, they say they appreciate the scenery. They appreciate it is affordable. They appreciate the hospitality. People come here and find out there is something other than just cows in Alabama. They didn't know we had the gulf, Dog River, and Mobile Bay. It really brings excitement to our visitors. This will also help to have the opportunity not only for our local citizens, but other people who travel through Mobile, Alabama, visit here and have business here to have access to our waterways. Again, I ask that you support this item for our citizens and our visitors so they can have more access to our waters. Thank you.

John Williams, retired Mobile City Council Member:

Good morning, Commissioners. I am almost ninety (90) days into retirement, and yes, I am enjoying it. I see it as we have three (3) opportunities here. First of all, it serves a real public purpose in that it is offering a recreational opportunity. We have found that in Soccer Complex that is near this location. It has the lights on and is engaging young Mobilians almost every day that I pass by there. It is also a preservation opportunity. When there are some monies available, it makes it inviting to other governments to look into Mobile, Alabama, to take this opportunity to preserve this water access. Lastly, it is an opportunity to engage those who have not been exposed to the golf world through the First Tee Program. When this course was last open, he was very much interested. It's a central place in our city, and there is no doubt it serves a public purpose. I appreciate y'all's support. Commissioner, thank you so much for looking into it. Y'all have a great day.

February 10, 2022

Steve Greene, 3817 St. Andrews Drive, Mobile, Alabama 36693: Thank y'all for letting me address the Commission. I am here today to speak about the opportunity of the golf course. We have a great opportunity. We have over five thousand (5,000) feet of water attached to this project. For the price tag we're getting, this is a great opportunity. We have multiple things that can happen from there. The biggest thing Mobile, Alabama has happening to us right now is an influx of people. We have huge amounts of calls at any title company. I am in the real estate business as I am a builder-developer. We're fixing to boom. We can finally turn Cinderella the other way around. We have five (5) golf courses. With the price of real estate, we will probably lose one (1) or two (2) of them over the next few years. This is a great opportunity for the people along what I call our corridor. Our corridors will be a part of our future expansion that will come all the way from Irvington, Alabama, to downtown Mobile, Alabama. Whether it's done through Amtrak or through our own personal train service, how sweet would it be to come from a race track, stop by the Soccer Complex, the golf course, come downtown, and then send the train back the other way? We could have the same thing but heading north. There's a guy by the name of Charles Epstein who is an economist. He said Mobile, Alabama, is bulletproof until 2032. The good news is that we get to ride that wave. He is coming to speak again in March 2022. He is phenomenal. He spoke here ten (10) years ago and called it to the T. We're sitting on the edge of a great opportunity. This is a great opportunity for Mobile County and the City of Mobile to make this happen. I appreciate your time, and I appreciate your support. Thank y'all.

Shannon McDonald, 10131 Crepe Myrtle Road, Grand Bay, Alabama 36541: I am here to show my support for Agenda Item #60. We're trying to purchase a piece of property joining my property and would like to have the approval of the Commission. We'd appreciate your time and consideration in that.

President Merceria Ludgood: Thank you.

AGENDA #22

APPROVE PURCHASE/REAL PROPERTY/
ST. ANDREWS LANE/COMMONLY KNOWN
AS LINKSMAN GOLF COURSE/PROJECT
CIP-2021-003A/PROJECT GMSA-2101

Commissioner Randall Dueitt: I am going to ask if we could take Agenda Item #22 out of order. I think some of the people here that spoke today have other things to do.

Commissioner Connie Hudson: I have no objection.

Commissioner Hudson moved, seconded by Commissioner Dueitt, that the Board approve the purchase of approximately 100 acres of real property located on and around St. Andrews Lane, commonly known as Linksman Golf Course, Project CIP-2021-003A, for the purchase price of \$850,000.00 plus closing costs, utilizing Project GMSA-2101, and to authorize the Commission President to sign all documents related to the transaction.

Motion carried unanimously.

Commissioner Dueitt: I want to briefly speak on the item if I can. I wanted to say thank you for being here. It means a lot that I have the support of the City of Mobile on this project. I agree with everyone who spoke. When I got elected over a year ago, the first thing I did was call Jay Ross, County Attorney, to my office and ask him how the County could buy a piece of property. I didn't know how to as a County Commissioner. This has been a project that we have worked on for over a year, and I am excited that we are getting to this point now. Again, I want to thank you for being here and supporting it. I think three (3) of the four (4) who spoke live in the neighborhood.

Commissioner Hudson: Commissioner, can you walk through the plans of what's next and what you anticipate it will look like when the project is complete?

Commissioner Dueitt: I hate to talk about the plans because I planned on playing golf there by now, but I know things take time. We have done a lot of due diligence on this project since the beginning. We have had a pretty comprehensive feasibility study done. Some environmental studies have been completed that show this will be a good project. The surveys and appraisals are finished. Everything is done. What I would like to see is after closing, we will go into a phase of bidding out the process of renovating the golf course. It has been closed down for some time. I had several people look at the golf course. It's not in playable shape, but it's not in horrible shape either. Considering what it would cost to build a golf course or renovate a golf course, I don't think it's going

February 10, 2022

to be that expensive. Another exciting part of this for everybody, including myself, is the water access. We're looking at a golf course, and I am excited about that because of several things that have been mentioned today; number one being we are a golf community. We have lost several golf courses over the years here due to development. I think one (1) golf course was bought in the Brookley Complex by Airbus, who took over that property and some other things. Not only that but also for our students. Our students in our schools have nowhere to play golf. I think golf is an important sport to our schools. I am hoping we can get them involved with some of the programs that were mentioned before. The other thing that everyone knows is that I am looking daily for ways to access our waterways in Mobile County. We live on the coast. I feel like people want to preserve our waterways and want to utilize them. This gives us another opportunity with over five thousand (5,000) feet of waterfront property that comes with this purchase to expand the access to kayaking, fishing, and possibly boating in the future. That is kind of my plan. I am overly confident that we will be starting construction soon and will start seeing people out there enjoying the waterways and playing golf in that community.

Jay Ross, County Attorney: Commissioners, we are ready to close. Everything is in order, as Commissioner Dueitt said. The title issues have all been resolved.

Commissioner Hudson: The encroachment issues have been resolved?

Jay Ross: There are a few encroachment issues, and they are not resolved. We'll have to look deeper into that. From what I hear and from what Commissioner Dueitt, Steve Greene, and I have talked about, those encroachments are on the part of the fairways. They're not significant, but they encroach onto the golf course property.

Commissioner Dueitt: I think most of them are minimal. For most of them, it may be a fence. I think there may be one (1) or two (2) temporary structures, such as a shed, that have been built on the property. I told Jay Ross, County Attorney, I felt confident with the relationship I have with the community. John Williams, retired Mobile City Council Member, is the president of the Homeowners Association, and I think the community is very supportive of this project. I think we'll be able to work through them pretty easily. There are very few, and they're very minimal.

President Merceria Ludgood: All of that will be resolved before we close?

Jay Ross: President Ludgood, as it stands now, the encroachments would not be resolved before we close. Part

February 10, 2022

of that gets into how long those encroachments have been there how willing are these few property owners to voluntarily pull them back. Those issues have not been completely explored yet.

President Ludgood: There's no cloud on the title?

Jay Ross: Correct.

President Ludgood: Okay. That's what I'm getting at.

Commissioner Dueitt: One other thing, Tina Sanchez, Environmental Services Director, has been very involved in this project. If you'd like to say anything, I'd like for you to have the opportunity to speak. I'm sorry this has taken so long. This has been a long project for me, and I am pretty excited about it.

Commissioner Hudson: I have been working on one (1) for eleven (11) years now, so I can appreciate it.

Tina Sanchez, Environmental Services Director: Good morning. I also share your excitement. It's really gratifying to see this move forward. We will move forward with the master plan process as well because, as you said, this is a golf course opportunity, but it's also waterfront access and Dog River watershed. There is an active blueway, and we think there's an opportunity for streambank restoration and kayak launch locations. We'll get to work on the master plan and get some consultants as soon as possible.

Commissioner Dueitt: Thank you.

President Ludgood: Thank you for coming. We appreciate your input, and we look forward to your help and support as we move this project forward.

AGENDA #60

APPROVE WAIVING SECTION 7.1/
SUBDIVISION REGULATIONS/APPROVE
PRELIMINARY AND FINAL PLAT/WATSONVILLE
SUBDIVISION/DISTRICT 3

President Merceria Ludgood: Since Shannon McDonald is here, we don't want to keep him here all day. Can we take Agenda Item #60 out of order?

Commissioner Connie Hudson: Yes.

President Ludgood: You're welcome to stay.

February 10, 2022

Commissioner Hudson moved, seconded by Commissioner Dueitt, that the Board approve waiving section 7.1 (Private Subdivisions) of the Subdivision Regulations and approving preliminary and final plat of Watsonville Subdivision. (2 lots, Crepe Myrtle Road and Stewart Lane (Private), District 3)

Owners are moving an adjoining line between two (2) existing parcels, and no new lots are being created. The Engineering Department has no objection to the granting of this waiver.

Motion carried unanimously.

BOONDOCKS BAR AND GRILL/DISTRICT 2

Commissioner Hudson moved, seconded by Commissioner Dueitt, that the Board approve an application for transfer of 020-Restaurant Retail Liquor alcohol license of Saturday, Inc., for Boondocks Bar and Grill, 10210 Airport Boulevard, Mobile, Alabama 36608. (District 2)

Motion carried unanimously.

Commissioner Randall Dueitt: I'd like to ask a question. Since we have advertised and voted on the new districts, does that take effect immediately after the vote?

President Merceria Ludgood: No.

Commissioner Dueitt: When would it actually take effect?

February 10, 2022

Commissioner Connie Hudson: That has been a big question mark because it says before the next election cycle. That doesn't give a certain date. If there are people who choose to run for public office in that district, there's a residency requirement. This is a question that I also posed to Jay Ross, County Attorney, and maybe he can enlighten us today.

Commissioner Dueitt: The reason I am asking is because I know where that agenda item location is. It's in the new area, which would make it District 3 now. I know you can't disenfranchise people who voted for any of the three (3) of us. We still represent them to the end of the next term because they voted for us, and we're their elected official. I was just wondering about the lines because of where this particular place is.

Commissioner Hudson: I think it is still in District 2 now. I still don't know exactly what date that changes.

Commissioner Dueitt: Okay.

Jay Ross, County Attorney: I think the new lines technically become the new district after the 2024 General Election. Until then, the old district lines are in place. Obviously, you'll be campaigning whoever runs for the offices where the new lines are created. The new lines do not take effect until after the time of the 2024 General Election.

Commissioner Hudson: At the time someone qualifies to run, they would have to be in the district they're running for?

Jay Ross: They will have to live in the district in which they are running for where the lines will be. It's a little confusing for sure, and the legal staff struggled with it for a few weeks till we figured it out.

Commissioner Hudson: Would you give us a written opinion on that?

Jay Ross: Yes, ma'am. That would be great.

Commissioner Hudson: Then we can all understand it the same way.

Jay Ross: I'd be happy to. It's a great idea.

Commissioner Dueitt: Thank you.

COMMISSION ANNOUNCEMENTS
AND/OR COMMENTS

Commissioner Connie Hudson: I would like to make an introduction. We have James Kim and Nina Kim in the audience today. They are the proprietors of Coffee Monster, LLC. I wanted to introduce them and let them know how happy we are to have them in the building. When do you anticipate being able to open?

James Kim, Monster Coffee, LLC: During the beginning of April 2022.

Commissioner Hudson: Wonderful. We're really looking forward to it. Thank you for being here today.

Commissioner Randall Dueitt: Thank you.

Commissioner Randall Dueitt: I have one other thing. I know we haven't met since the January 24, 2022 Commission Meeting. I am sure everyone in the Engineering Department is aware of this, but I wanted to announce the passing of Mikell Speaks, Executive Vice President, Speaks & Associates Consulting Engineers, Inc. Everybody here knew and respected Mikell. He was a great engineer. Beyond being a great engineer, he was a great citizen to Mobile County. Just the things that he did beyond his professional life with volunteer work and other things he has done for children with disabilities, parks, playgrounds, and schools in our community. I just wanted to announce the sad passing of Mikell Speaks.

February 10, 2022

Commissioner Connie Hudson: Thank you for mentioning that.

Commissioner Connie Hudson: I also wanted to mention about Terri Mosley, Parks Recreation Coordinator, West Mobile County Park. She passed away as well, and she will be greatly missed. She had been at that West Mobile County Park for around thirty-seven (37) years. It was a long time. She did a wonderful job and will certainly be missed.
