President Merceria Ludgood: There is no access to the park. Nobody has looked at it to see if it can realistically be a park. This park was created by statute back in the 1980's. Nothing has happened with it. This is just an assessment to see what the options may be for it.

Commissioner Hudson: Okay. Is there is a potential to become a state park because Mobile County does not have any state parks. That's why I was wondering.

President Ludgood: The legislation was passed in the 1980's but no money came with it. We will see. I think depending on what comes out of it, we may be able to make a case. If it's positive to the State of Alabama to create a state park here, but we do not know.

PLAN/PROJECT CIP-2021-002A/PURCHASE OF
LAND FOR MOBILE COUNTY SOCCER COMPLEX

Commissioner Randall Dueitt: Is this where we talked about the land?

Commissioner Connie Hudson: Right.

Commissioner Dueitt: For Phase Two?

Commissioner Hudson: No, this is not for Phase Two. This is for a further expansion. It is potentially the home of the Mobile County Aquatic Center. We are looking to form a public/private partnership for a future water park.

Commissioner Dueitt: Okay.

July 12, 2021

Commissioner Hudson: It could be used for any other athletic as long as the County purchases the property, we can determine that.

Commissioner Dueitt: Where are we at with percentage-wise if you had to say with completion of Phase One?

Commissioner Hudson: We completed Phase One. We are getting ready to begin Phase Two.

Commissioner Dueitt: Alright.

Commissioner Hudson: That should be starting by Spring of 2022. Everything is delayed. Everything is slow. Between materials and doing the due diligence, it is taking a lot longer.

Commissioner Dueitt: I know a couple of months ago, we rented a portable restroom facility.

Commissioner Hudson: That is part of Phase Two. It's part of it but it is separate. We are trying to fast track it but it still looks like it will be nine (9) months to a year to build.

Commissioner Dueitt: For the construction for the permanent restroom facility, right?

Commissioner Hudson: Right.

Commissioner Dueitt: That will be in Phase Two?

Commissioner Hudson: Actually, yes. It is not only part of the Championship Field Complex restroom with locker rooms and restrooms, it will also have a freestanding restroom and concession building. That is all part of Phase Two.

Commissioner Dueitt: You said seventeen (17) acres would be used for this public/private partnership?

Commissioner Hudson: Somewhere around that. It's a rough determination at this point. That is what is available as far as upland area in that parcel.

Commissioner Dueitt: Okay. I guess this price is Yellow Book appraisal on the property?

Commissioner Hudson: I'll let Jay Ross, County Attorney, answer that.

July 12, 2021

Jay Ross, County Attorney: We don't have the report back, but verbally it is. Yes, sir.

Commissioner Hudson: At twenty (20)?

W. Bryan Kegley II: At twenty (20). Yes, ma'am.

July 12, 2021

Commissioner Hudson: Okay.

W. Bryan Kegley II: It's rare we go below twenty (20). Twenty (20) and twenty-five (25) are the predominant posted limits in our residential subdivisions.

Commissioner Hudson: Okay. That is awful slow at twenty (20) miles per hour (MPH).

Commissioner Randall Dueitt: Are these residential new subdivisions?

W. Bryan Kegley II: Yes.

Commissioner Hudson: I can understand that, but I don't know. It just seems like it is hard to go twenty (20) miles per hour (MPH). I would think most people would likely exceed that.

AGENDA #50

APPROVE RIGHT-OF-WAY AND/OR
EASEMENT AGREEMENT/TRACT 8/
PROJECT MCR-2016-001/
MCDONALD ROAD - ADDITIONAL LANES

Commissioner Randall Dueitt: W. Bryan Kegley II, County Engineer, I want to ask you a question about this. Obviously I was bombarded on Thursday, Friday, Saturday, and Sunday because Alabama Department of Transportation (ALDOT) sent out a letter to about one thousand (1,000) or more residents in that area. Most of them are on Labrador Run which is off of Dawes Lane Extension. This made me think about it because we're talking about additional lanes at McDonald Road. I'm assuming that is in the same area.

July 12, 2021

W. Bryan Kegley II, County Engineer: Yes, sir. That is one of the alternatives.

Commissioner Dueitt: Yes. From what I am hearing from the residents on Labrador Run, when the neighborhood was developed, they left enough space between the neighborhood to come off of Airport Boulevard and Ben Hamilton Road. They then cut through these two (2) residential subdivisions to cut back across and come out somewhere near the McDonald Road and Old Pascagoula Road intersection.

W. Bryan Kegley II: That is correct.

Commissioner Dueitt: I am telling you now that I am adamantly opposed to that plan. I know the letter said for the residents to contact Alabama Department of Transportation (ALDOT) about this issue. I'm just putting it out there that I'm opposed to that plan. I don't think it's a good plan. I think maybe the developer was aware of there being the potential for a road through there. Obviously he left the space to do that. I think maybe there was some deception from him to the residents in the neighborhood and what the future plans were. I don't see it being a good idea to run a five-lane highway through the middle of a subdivision. If at all possible, I would like for us to look at the option of the widening of McDonald Road. It is probably a better option for us and the people that live in that area. I wanted to put that out there so you and the public to know that I'm concerned about this road running through there. I want to plant that seed with you so we can start looking at that.

Commissioner Hudson moved, seconded by Commissioner Dueitt, that the Board approve right-of-way and/or easement agreement for Tract 8 in the amount of \$22,400.00, for Project MCR-2016-001, McDonald Road - Additional Lanes, and authorize the President of the Commission to execute the agreement on behalf of Mobile County.
