AGENDA #9

CONSIDER ESTABLISHING COUNTY ALCOHOL
LEVY/FISCAL YEAR 2022-2023/NEW LICENSE/
HOSPITALITY MANAGEMENT LICENSE

Glenn L. Hodge, County Administrator: Hospitality Management License, is up for discussion.

President Connie Hudson: Is there any discussion?

Glenn L. Hodge: There is not an amount.

July 7, 2022

President Hudson: The State of Alabama license fee is one thousand dollars (\$1,000.00); typically, do we stay in line with the State of Alabama fees?

Glenn L. Hodge: Martha Durant, Chief Staff Attorney, do you have any comments?

President Hudson: We need some feedback, some recommendations. On the alcohol levy, is there a recommendation?

Martha Durant, Chief Staff Attorney: College and university students in fields affected by this levy will have to pay. I suggest the County Commission charge half of the amount because there is an obligation to the public anytime alcohol is involved.

Commissioner Randall Dueitt: I looked at that earlier and was trying to figure out what the legislature did in the last legislative session. I don't know how soon it has to be done, but could we hold it over?

President Hudson: I think it would have been helpful to have some feedback on this item before the meeting to understand the background and any recommended amount. That would have been most helpful.

Commissioner Dueitt: I was trying to find out what the legislature's action was before we made a decision. When does the decision need to be made? I just don't want to make a hasty decision.

Glenn L. Hodge: July 22, 2022.

President Hudson: I wonder if they would grant us an extension because of our meeting schedule.

Jay Ross, County Attorney: We have another meeting on July 21, 2022.

President Hudson: Why don't we wait?

Jay Ross: You can clearly do it on July 21, 2022. Whatever we do, we will get you all some more information to help the Commission make whatever decision.

President Hudson: I think that would be good. Are you agreeable, Commissioner?

Commissioner Merceria Ludgood: Yes.

universities or colleges to see the effect. I mean, if I understand it, they're getting a license to sell alcohol.

President Hudson: Well, that's part of their program, and to have alcohol in the program, they have to pay a license fee. You know, of course, as Martha Durant said, there is an obligation to the public anytime alcohol is involved. I would not be in favor of not charging any fee whatsoever if that be the case because it's not really fair to the public either. I really think we should hold it over until July 21, 2022, to get some background.

Commissioner Dueitt moved, seconded by President Hudson, that the Board hold over this item until July 21, 2022.

W. Bryan Kegley II: Yes. They wanted to make sure that all three (3) Commissioners were aware of what was going on. The intent is to place a substantial allocation in the upcoming 2022 Pay-As-You-Go Program, and I will provide you with that information.

President Hudson: Should there be an acceptance of the right-of-way?

W. Bryan Kegley II: At a point in time, whenever the design is done, and right-of-way acquisition documents have been prepared, legal descriptions and things of that nature, then they will present a document for the County to accept the right-of-way.

Commissioner Ludgood: Okay. Thank you.
