PRESENT RESOLUTION/PROCLAIM MOBILE COUNTY
AS A PURPLE HEART COUNTY/JUNE 2017

WHEREAS, the Purple Heart is the oldest decoration in present use and was initially created as the Badge of Military Merit by General George Washington in 1782; and

WHEREAS, the Purple Heart was the first American service award of decoration made available to the common soldier and is specifically awarded to any member of the United States Armed Forces wounded or killed in combat with a declared enemy of the United States; and

WHEREAS, the mission of the Military Order of the Purple Heart, chartered by an Act of Congress on February 22, 1932, is to foster an environment of goodwill among combat wounded veterans and their families, promote patriotism, support legislative initiatives and most importantly, make sure we never forget; and

WHEREAS, Mobile County, Alabama, has a large veteran population and is the home to a number of Purple Heart recipients; and

WHEREAS, Mobile County has a great admiration for the men and women who have selflessly served our country and acknowledges our veterans who have paid the high price of freedom by leaving their families and communities behind and placing their own lives in harm's way for the goodwill of all.

June 12, 2017

NOW, THEREFORE, LET IT BE RESOLVED, that the Mobile County Commission does hereby proclaim Mobile County, Alabama, as a "Purple Heart County" in the State of Alabama; furthermore, we encourage all residents to show their appreciation for the sacrifices the Purple Heart recipients have made in defending our freedoms, to acknowledge their courage, and show them the respect and support they earned.

Dr. Barry Booth, 7210 Chapman, Montrose, Alabama: I want everybody to know how supportive the Mobile County Commission was for the Veterans Honor Flight Program that ended in 2013, after taking nine hundred fifty-seven (957) World War II Veterans to Washington, D. C. to visit memorials honoring their service and sacrifice. Also, the Mobile County Commission was supportive financially with the new directional markers along major roadways on the Gulf Coast, directing drivers to the Alabama State Veterans Memorial Cemetery in Spanish Fort. Every time we returned from Washington, D. C., Commissioner Connie Hudson, and Bess Rich, Mobile City Councilmember, were there to greet us, and the Veterans looked forward to seeing them. The Military Order of the Purple Heart is a congressionally chartered veterans organization whose members have received the Purple Heart Medal given in the name of the President of the United States, given to any member of the armed services who has been wounded or lost under combat conditions. The Purple Heart is an individual decoration it differs from other military decorations and that it is not a recommended decoration, it is an entitled decoration. Unlike my colleagues in Vietnam, Dr. J. C. Bond, my dental core colleague, who was wounded not once, but twice, I am not a recipient of the Purple Heart, but I wholeheartedly support this distinguished order. It offers programs that include suicide prevention, support for veterans with brain injuries, counseling for post-traumatic stress disorders, and assistance in women's health issues. All are very common challenges for combat wounded veterans. The mission of being designated the Purple Heart County is to raise public awareness and to honor those in our communities who have received this special decoration. I'd like to thank Commissioner Carl, Commissioner Hudson, and I know there are family members in Commissioner Ludgood's family who have served in military service. Families always travel in spirit and in heart with whomever is on active duty. We never ever forget the family support. I'd like to introduce members of the Military Order of the Purple Heart (MOPH): Commander of the John New Chapter, Bill Bergman, Colonel John New, and Talmadge Cain; all served in the U. S. Army and all are recipients of the Purple Heart. Most especially Seymour "Sy" Lichtenfeld, 92-year-old World War II Veteran, POW, captured at the Battle of the Bulge and he now serves our state on the Alabama Department of

Veterans Affairs Board. Thank you for the time you have given me this morning, and I appreciate being able to make this presentation.

Commissioner Connie Hudson: Dr. Barry Booth is a Vietnam Veteran who spearheaded the Honor Flight Program in Mobile and Baldwin Counties, Alabama. Dr. Booth worked tirelessly to have fourteen (14) new directional markers placed along major roadways on the Gulf Coast that direct drivers to the Alabama State Veterans Memorial Cemetery. We appreciate Dr. Booth's work, and he has always been involved as an advocate in all veterans' activities. We are very grateful to have all of you here today.

Commander Bill Bergman, John New Chapter: On behalf of Chapter 2206 Military Order of the Purple Heart in Mobile County, Alabama, I deeply appreciate this opportunity to receive this award on behalf of the Chapter, and I am thankful to Dr. Barry Booth and the Mobile County Commission. Thank you all very much for coming today for this occasion. I would like to present, Mr. Seymour "Sy" Lichtenfeld who was selected Patriot of the Year of Mobile and Baldwin County Chapter Military Order of the Purple Heart.

AGENDA #22

HOLD PUBLIC HEARING/VACATION AND CLOSING
OF RIGHT-OF-WAY/EASLEY ROAD WEST IN
MOBILE COUNTY, ALABAMA/DISTRICT 3

President Ludgood asked if any citizen of the County wanted an opportunity to be heard, regarding the vacation and closing of the right-of-way on Easley Road West in Mobile County, Alabama, District 3.

June 12, 2017

Robert C. Matthews, Attorney, Burr & Forman LLP: I represent Petitioners William Driskell, Charles Driskell, Darrell Driskell, Wilfred Russell Hultz III, Regina Roxanne-Hultz Chance, and George Hultz as the abutting property owners assent to the vacation and closing of the right-of-way of Easley Road West in Mobile County, Alabama. These six (6) Petitioners own all of the property on the west side, the north side, the south side, and all the way to the east side abutting at Easley Road West. It is only for Easley Road West and not Easley Road East which is a traveled road that runs north and south.

Commissioner Jerry L. Carl: There was a lot confusion. The news media asked me if we were closing Easley Road East.

Mr. Matthews: No, we are closing Easley Road West which is a road to nowhere. It runs into the Hultz property and goes through the Driskell property to get there. The right-of-way is completely surrounded by the Petitioners' properties. The Petitioners are having an issue with kids driving four-wheelers in an unsafe manner onto their properties.

Commissioner Carl: There is no place to turn around on that road, I had to back out all the way the other day. It is a very narrow road.

Regina Roxanne-Hultz Chance: My brother and I are one of the property owners. We are okay with the action to close this road, but I would like it to be reflected in the wording that by closing the road, we do not deny access to that road for any utilities, for us now, and for future property owners. For example, if my son wanted to build a house and needed access to the road for utilities, I want it in writing that access to the road would not be denied. Can that wording be included in the resolution?

Commissioner Carl: County Attorney Jay Ross is there a legal precedent?

County Attorney Jay Ross: Whatever utilities are currently there, usually stay. Future utilities have the right of domain. If the road is vacated, it would be up to the utility companies, if they need to go further.

Commissioner Carl: All they are doing is vacating the road, the utilities will stand on their own.

County Attorney Ross: Future utilities would have to deal with the landowners.

Commissioner Carl: The power company, the water company, and sewer company would have to deal with the landowners, but they do have eminent domain. They have a legal obligation to get utilities to a home.

June 12, 2017

Ms. Chance: By closing this road, are we denying any future access for utilities?

Mr. Matthews: The vacation of ingress and egress has nothing to do with the vacation of a utility easement. They are completely separate.

County Attorney Ross: If a utility easement is on record in court, you are totally right.

Commissioner Carl: Is there a utility easement on record?

Mr. Matthews: There is one or two utility easements on record, and we have provided consent for all utilities. They will have a right to access the road for maintenance on their current easement.

County Attorney Ross: What about future utilities expanding on the road right-of-way?

Commissioner Connie Hudson: If there is future development, would it have to be worked out between the property owners and the utility companies?

Mr. Matthews: Right, it would be the same way as if y'all needed an easement. That is how it works with public utilities. The current easements are not affected at all by this, except for the fact, they have all assented on record.

Commissioner Carl: Roxanne, does that answer your question?

Ms. Chance: As long as it does not affect future utilities, we are okay with it.

Mr. Matthews: That is not an issue.

Commissioner Carl: Okay, good. Thank you.

President Ludgood asked if any other citizen wanted an opportunity to be heard regarding the vacation and closing of the right-of-way on Easley Road West in Mobile, Alabama.

There were no further comments.
