Also present were E. Edwin Kerr, county administrator/clerk of the commission, Jay Ross, county attorney, and Kimberly Newberry Sanderson, interim county engineer. President Dueitt chaired the meeting.

Commission President Dueitt: We express our thanks and gratitude for your dedicated service, wisdom, and commitment to excellence, which have long inspired all of us and will be remembered for many years to come. We wish you good health, happiness, and continued success in your retirement.

Commission President Randall Dueitt: Good morning. How are you?

Frank Harris Jr., 8941 Dawes Lake Boulevard, Mobile, Alabama 36619: Good morning. This is the second time I have appeared before the Mobile County Commission. The first time was on May 28, 2024. The problem in the subdivision where I live is a safety issue. I have expressed my concerns for three years and have yet to receive any help. I spoke with Commissioner Dueitt on May 28, 2024, and he indicated he would contact me; however, I have not received a response as of this date. I was informed at your meeting on May 28, 2024, that it may be possible to obtain grant funds through the Sheriff's Office to monitor speeding vehicles. A 10-mile-per-hour advisory speed reduction sign was posted in the subdivision where I live, but it does not help because a 20-mile-per-hour advisory speed reduction sign is also posted near my driveway, which makes the speed limit very confusing. A blind person who resides with me was almost hit by passing vehicles several times. When I came to Commissioner Dueitt's Office with a letter, neither he nor his assistant would speak with me. It should not take three years to correct this safety issue. This is a matter of life or death. I place safety cones in my front yard when I am outside to prevent vehicles from hitting me. The employees at the Mobile County Engineering Department said that they could only do so much, but I have seen rumble strips, grooved pavement, and sprint barrier gates in other subdivisions. If we can all meet, maybe we can come up with a solution. Did I come to the wrong place? What should I do next? Should I wait until someone is killed? This matter needs to be corrected because it is a safety issue. I went to another department for help, but they told me to call a local news station. I do not want to do that. I want to file a complaint with the Americans with Disabilities Act Department; do I file it with the City of Mobile or Mobile County, because a blind person was almost killed by a passing vehicle? The sharply curved road is a frequent safety hazard in the subdivision where I live. No one has spoken with me or addressed my issue. Brad Wittmann suggested that I cut down the vegetation, but the tree in my yard is only six inches tall. The road is not constructed correctly. I am not asking the Mobile County Commission to spend millions of dollars to reconstruct the road. I want the road to be safe enough for me to mow my

lawn and go to my mailbox without being hit by passing vehicles. Does someone have any suggestions?

Commission President Dueitt: I am not a traffic engineer, and because I said I would get back to you, it does not mean I will personally visit your home. I believe Brad Wittmann has made multiple visits to the subdivision where you live since your last appearance at the May 28, 2024 meeting. I know for a fact that a deputy sheriff patrolled that area, observing the traffic for hours, and after only a few violations, he had to patrol other areas. The Sheriff's Office requires documentation of the type of work being performed in areas of concern before it can obtain a grant.

Frank Harris Jr.: Why was I not contacted? I have provided you with my phone number and email address.

Commission President Dueitt: I spoke with the deputy sheriff and did not think he needed to contact you.

Frank Harris Jr.: Is it possible for us to have a roundtable discussion as ladies and gentlemen, and try to come up with a solution? I have a letter stating that a blind person was almost hit near my house by passing vehicles. I have shown you pictures of the dangerous, sharply curved road near my home. Since I am the only person affected by this curved road, I need to talk to someone. The subdivision where I live has 113 residents, most of whom own vehicles. Ninety-seven percent of them drive past my house because it is the only road to enter or exit the subdivision. You tell me that it is not a problem. There are rumble strips, speed limit signs, and solar lights in other communities. Why can't I have that in the subdivision where I live? I want a circular driveway, but I am unable to have one because I have a septic tank. I have done everything I can. Do you want me to get hurt or killed? What should I do? There must be a waiver available. Can they offer a variance? Everyone I spoke with said, nothing else could be done.

Commission President Dueitt: I believe your five minutes have expired. If you do not mind, I will let our Interim County Engineer Kimberly Newberry Sanderson, address your concerns and explain what we have done to try to satisfy you.

Interim County Engineer Kimberly Newberry Sanderson: Brad Wittmann and I have visited the area where Frank Harris Jr. resides several times to inspect the road. Brad Wittmann met with Frank Harris Jr., but I did not. Brad Wittmann recommended improvements, which we have made. The road has the appropriate signs. Brad Wittmann and I are happy to meet with Frank Harris Jr. to discuss other

options for him and his Property Owners Association to address his concerns.

Commission President Dueitt: Kimberly Newberry Sanderson and Brad Wittmann, is there anything else that can be done to make the area safer?

Interim County Engineer Newberry Sanderson: The speed signs are appropriate. Brad Wittmann can confirm that he has added one or two signs since his initial visit. The appropriate adjustments were made upon first notification. The road is fine the way it is. It is appropriate for the 15-mile-per-hour speed limit. The drivers are not abiding by the speed limit signs.

District 2 Commissioner Connie Hudson: Frank Harris Jr. mentioned rumble strips. Does the Property Owners Association have to agree to install them since they affect everyone?

Interim County Engineer Newberry Sanderson: Yes, rumble strips affect everyone. They are effective at slowing speeding vehicles. On the other hand, they are very loud and not a good fit in a subdivision.

Commission President Dueitt: Frank Harris Jr., please understand that when I say I will contact you, it does not guarantee that I will personally do so; however, Brad Wittmann and Kimberly Newberry Sanderson will be in touch with you. You have Brad Wittmann's contact information, and other options can be discussed. Brad Wittmann has discussed some of the options available to you that are outside of Mobile County's control and can be handled by your Property Owners Association. I will meet with Kimberly Newberry Sanderson and Brad Wittmann. I will gladly come to your home to save you the trip here. I do not have a problem with coming to your home, but the only reason I did not come was that I asked Kimberly Newberry Sanderson and Brad Wittmann to visit. I will set a time that is convenient for Kimberly Newberry Sanderson, Brad Wittmann, and Richard Mitchell to meet with you. I apologize for the difficult situation and the inconvenience of having to come here repeatedly. I believe our Mobile County team is doing everything possible to address your concerns.

Commission President Randall Dueitt: Good morning, Cindy Knowlton.

Cindy Knowlton, extension coordinator, Alabama Cooperative Extension Service, 1070 Schillinger Road North, Mobile, Alabama 36608: Good morning, Commissioners. I want to introduce Morgan O'Neill. She is a junior at Auburn

University and one of the two interns at our office this summer. Morgan O'Neill is studying agricultural science, and her interests and goals include participating in urban farming and hydroponics. Her summer project is working with women in agriculture in Mobile County. She interviews women and takes their photos, which will be highlighted on our general statewide Alabama Cooperative Extension System website. Our second intern is Arianna Howard, a junior at Auburn University. Arianna Howard is pursuing a degree in nutrition and dietetics, and she looks forward to becoming a registered dietitian. I also want to mention our watermelon promotion this week. We will deliver watermelons at the Mobile Government Plaza on Thursday, June 27, 2024. We have a large team of 13 or 14 individuals. It is always a pleasure to visit and to express our gratitude for your ongoing support. Commissioners, each of you should have a folder containing information on some of our upcoming events, including a grant-funded Weather-Wise Workshop on July 12, 2024, in the City of Bayou La Batre. We will do a short program with our citizens, and registration is free. The citizens who participate in the program will receive a National Oceanic and Atmospheric Administration weather radio that has already been programmed. We have had two Weather-Wise Workshops so far. One was held at Semmes Regional Library on May 21, 2024, and the other was at Via Health, Fitness, and Enrichment Center on June 20, 2024. I will schedule a Weather-Wise Workshop in the Town of Mount Vernon, Alabama, for August 2024. Also, in our packet, you will see our 2023 Master Gardener Impact Sheet. The Mobile County Master Gardener Program is one of the top three master gardener programs in the state. We are in the 2nd or 3rd spot, next to Baldwin County and Jefferson County. The Mobile County Master Gardener Program offers a variety of excellent programs and has a significant impact throughout Mobile County. We will be starting our internship program in August 2024. We finished our interviews with those candidates. I also included highlights from our June newsletter. Are there any questions?

District 2 Commissioner Connie Hudson: Thank you, Cindy Knowlton. We welcome your interns and hope they have a wonderful experience. You have an excellent extension service, so they are in the right place.

Pastor Valenia Green, executive director, Azalea City Community Development Corporation, Incorporated, P.O. Box 835, Mobile, Alabama 36601: I have good news this morning. Azalea City Community Development Corporation, Incorporated is working on child support reform. We have seen a direct impact from women seeking help in Mobile County. We have partnered with the District Attorney's Office, and Assistant District Attorney Clay Rossi will be working with

us. Additionally, the League of Women Voters has partnered with Azalea City Community Development Corporation, Incorporated, to discuss child support reform, and I serve as the event chair. We invite you all to lunch on July 17, 2024, from 12:00 p.m. to 2:00 p.m. We will discuss child support reform, what laws will strengthen it, and ways to advocate for adults who are suffering from it. Thank you.

PRESENT LETTER OF COMMENDATION/
KEN WILLIAMS/BURTON PROPERTY GROUP

Commission President Randall Dueitt: I want to recognize one of our employees who is doing a fantastic job for the County, and we are proud of him. Ken Williams, please stand so the public may see you. Burton Property Group mailed a letter of commendation to the Mobile County Commission as follows:

Dear Commissioners, I am writing to commend the service and support provided by Ken Williams. Throughout our recent interactions, Ken Williams has consistently demonstrated responsiveness and helpfulness, which have significantly improved our response time to the new industries that we are recruiting in Mobile County. I' am sure you often hear about areas of the government needing improvement. This is a letter of commendation. I sincerely appreciate him and noticed his efforts to respond quickly to our team. Please extend our gratitude to Ken Williams for his outstanding efforts. I hope his contribution continues to be acknowledged and appreciated.

Commission President Dueitt: This letter is from Phillip Burton from the Burton Property Group. He wrote it because Ken Williams has provided a tremendous amount of help to the Burton Property Group and is speedy about getting projects approved for the South Alabama Logistics Park. Thank you, Ken Williams, for coming to the meeting. I know you are very busy, but I felt it was essential to acknowledge you publicly for your outstanding work. Commissioner Ludgood and Commissioner Hudson, thank you as well.

WHEREAS, Mobile County, a body politic and corporate and a subdivision of the State of Alabama, acting by and through the Mobile County Commission (the "County") plans to construct the Mobile County Aquatics Center, Project ENG-131098-2024 (the "Project"); and

WHEREAS, the Project requires a land disturbance permit issued by the City of Mobile, a municipal corporation in the State of Alabama (the "City"); and

WHEREAS, the Mobile City Code, Chapter 17, Section 17-9(a)(12) requires applicants for land disturbance permits to provide the City a letter of credit, surety bond, or cash bond securing compliance with the Project's Construction Best Management Practices Plan unless the City determines that sufficient security for compliance is already in place; and

WHEREAS, the County is uniquely situated as a governmental body with trained staff to control erosion and assure compliance with the Project's Construction Best Management Practices Plan and the City's stormwater ordinance; and

WHEREAS, acceptance of the County's assurance in lieu of a security bond serves the public purpose of conserving public fluids.

NOW, THEREFORE, LET IT BE RESOLVED, as follows:

2. During that time, the County will, at no cost to the city:

   (a) Comply with the Construction's Best Management Practices Plan and all applicable federal, state, and local laws, rules, regulations, and requirements;

   (b) Correct failures on the Project and immediately repair all hazardous conditions.

3. The Facilities Director or his designee will be the County's representative to accept notice of permit violations and Construction Best Management Practices Plan noncompliance. All responses to alleged violations shall be in writing, directed to the Facilities Director or his designee. Written notices and responses may be sent electronically.

4. These remedies are in addition to any legal remedy available to the City under federal and State laws, regulations, City ordinances, permits, and policies.

5. The County shall faithfully perform its obligations under the Construction Best Management Practices Plan, land disturbance permit, federal, State and local laws, and satisfy all claims and demands, incurred for the same,

and shall fully indemnify and save harmless the City from all cost and damage which it may suffer by reason of failure to do so, and shall fully reimburse and repay the City all outlay and expense which the City may incur in making good any such default, thence this obligation shall be null and void, otherwise it shall remain in full force and effect. Provided, no suit, action, or proceedings by reason of default shall be brought after twelve months from the date on which the City signs off on final inspection that stable vegetation and permanent controls are in place. AGENDA #23

APPROVE OFFICE TRAILER
RENTAL AGREEMENT/WILLIAMS
SCOTSMAN, INCORPORATED/CAMP 1

Commission President Randall Dueitt: How much does it cost to purchase the trailer?

Environmental Services Director Tina Sanchez: Good morning. It seems more cost-effective to lease the trailer for three years, as Williams Scotsman, Incorporated will be responsible for it while we determine the best course of action for additional office space.

Commission President Dueitt: The lease is for three years and costs $200,000.00. I cannot imagine that the trailer lease and maintenance for three years will cost more than that.

District 2 Commissioner Connie Hudson: How large is the trailer?

Environmental Services Director Sanchez: A large trailer has six offices and a conference room. It will serve as a central office for multiple departments, parks, and the Environmental Services Department.

Commission President Dueitt: Is the need for a trailer urgent? Do we need to vote on it before the next meeting? Can we prepare a cost analysis of the trailer's purchase and maintenance?

Environmental Services Director Sanchez: I will be happy to share that information with you before the next meeting.

Commission President Dueitt: Yes, if that is the will of the Commission.

District 1 Commissioner Merceria Ludgood: Is it subject to a request for proposals or bids?

Environmental Services Director Sanchez: It is no longer on the bid list. It is a purchasing cooperative.

Commissioner Hudson: Do we need to extend the bid date?

Environmental Services Director Sanchez: It is an ongoing cooperative agreement purchased from the bid list. We did not think we needed the large trailer permanently, as we hoped a building would be constructed at Camp 1 within three years.

Commission President Dueitt: If a building is built to replace the trailer, we can have the trailer on hand and use it at other locations in the future.

Environmental Services Director Sanchez: Yes, sir.

Commission President Dueitt: I request that this item be held over until the July 8, 2024 meeting.

The Mobile County Commission held over this item until July 8, 2024, for further information.

Commissioner Ludgood moved, seconded by Commissioner Hudson, that the Board adopt the resolution as follows:

WHEREAS, the Mobile County Hospital Board was incorporated on or about the 28th day of September 1961, in accordance with the provisions of Section 22-21-70, et seq., Code of Alabama (1975); and

WHEREAS, the Mobile County Commission, deeming it desirable to amend the manner in which members of the board are elected, adopted a resolution on January 8, 2007, amending the Certificate of Incorporation, which resolution was recorded in the Office of the Judge of Probate of Mobile County. Alabama at Real Property Book 6112, pages 1308-1309; and

WHEREAS, the said resolution was corrected by the Commission and said corrected resolution was recorded in the Office of the Judge of Probate of Mobile County, Alabama, at Real Property Book 6131, Page 436, amending the Certificate of incorporation of the Mobile County Hospital Board; and

WHEREAS, the Mobile County Commission now deems it desirable to further amend the manner in which members of the Board are elected.

NOW, THEREFORE, LET IT BE RESOLVED in consideration of the foregoing, be it:

1. That section (b)(II) and (b)(III) of ARTICLE V of the Certificate of Incorporation be, and it is hereby, AMENDED to read as follows:

> II. The members of the Board shall be elected for staggered terms of office, as follows: With respect to the Board elected following the effective date of this amendment, upon the expiration of the term of any Director of the Corporation, the University of South Alabama Board of Trustees, shall nominate in writing to the

governing body of Mobile County two persons for the position of Director of the Corporation. From the two persons nominated by the University of South Alabama Board of Trustees, the governing body of Mobile County shall elect one Director. The term of office of each Director shall be six years. In each instance, said period shall be measured from October 1 of the year immediately preceding the election of each such Director or Directors. Directors may succeed themselves in office, and each shall serve until his successor shall have been elected. No member of the Board shall be a member of the governing body of Mobile County.

III. If any Director dies or resigns or becomes incapable of acting as a Director or ceases to reside in Mobile County, the University of South Alabama Board of Trustees shall, within 60 days after such vacancy, nominate in writing to the governing body of Mobile County two persons to serve the unexpired term of the existing vacancy. From the person so nominated, the governing body of Mobile County shall elect one Director to serve the unexpired term.

Motion carried unanimously.

District 1 Commissioner Merceria Ludgood: What is the rationale behind Agenda Item #26?

County Attorney Jay Ross: Some of the entities no longer exist.

Anna Catherine Fincher, manager, Government Relations, University of South Alabama, 307 North University Boulevard, Administration Building 170, Mobile, Alabama 36688: Good morning. Currently, nominations come from the University of South Alabama Health Foundation, the University of South Alabama Research and Technology Corporation, and the Board of Trustees. The University of South Alabama Health Foundation no longer exists and is now up for nomination. The University of South Alabama wants the Board of Trustees to be responsible for submitting the nominations. The University of South Alabama Research and Technology Corporation operates under the authority of the Board of Trustees, which will optimize the nomination process since the University of South Alabama Health Foundation no longer exists.

Commissioner Ludgood: Basically, the appointing authorities no longer exist, and you want to replace them.

Anna Catherine Fincher: Correct, I want to replace them with the Board of Trustees.

Commission President Randall Dueitt: I think we are the appointing authority.

Anna Catherine Fincher: Correct. The nominations will be submitted to the Mobile County Commission.
