AGENDA #42

COMMISSION ANNOUNCEMENTS
AND/OR COMMENTS

Commissioner Randall Dueitt: I would like to take a moment to recognize one of our interns. He is a history intern from the University of Mobile. Amongst other things that he has been doing, while he has been an intern, I had an interest of finding out a little bit more about the history of the County Commission. More specifically, about the County Commissioners who served in that capacity over the years dating back to the beginning of Mobile County. He has been working on that very hard. I would like to recognize him. His name is Stephen Davis, a University of Mobile student intern. Stephen, thank you for all of your hard work.

President Connie Hudson: All I know is there should be some interesting reading.

Commissioner Dueitt: I am pretty sure it will be. That's why I wanted to know about it.

President Hudson: Very good.

Commissioner Dueitt: I wanted to know who the Commissioners were. I think Sharee Broussard, Public Affairs Director, told me he has gotten as far back to where the Minutes were written, which I'm not sure what it's called.

Sharee Broussard, Public Affairs Director: He went back in the Minutes Book to 1849. I also want to acknowledge the Records Department because they did a search that got us back to 1907. He did some confirmatory with what they had in the Minutes. He literally went through all of those beautiful handwritten Minutes books.

President Hudson: Are we going to have a presentation about this?

Commissioner Dueitt: Yeah. Once we get it all together, absolutely. I would like to do a presentation on this. I am interested in history, particularly the history of the Mobile County Commission and the Commissioners who served in that capacity. I just want to see who they were and what they contributed to our community over the years.

President Hudson: I think it's a great project. I'm looking forward to it.

EXECUTIVE SESSION

President Connie Hudson: Our attorney has asked that we meet in Executive Session. We will recess this meeting and adjourn from the Executive Session. I know Jay Ross, County Attorney, has to lay out the reasons legally for us to be able to go into Executive Session, and then Glenn L. Hodge, County Administrator, will poll the Commission.

Jay Ross, County Attorney: Thank you, President Hudson. I ask the County Commission to go into Executive Session to discuss a matter of pending current litigation as well as a matter of economic development. I would certify that both of those reasons are appropriate to go into an Executive Session per the Alabama Open Meetings Act. I so further certify the same as a lawyer licensed to practice law in the State of Alabama. While it's hard to estimate the time, I would think it will be at least one (1) hour to cover both, perhaps more. No action item will need to be voted on. The Commission, as you said, may adjourn from the Executive Session. We will need a roll call vote for that.

President Connie Hudson made a motion that the Commission convene in an Executive Session for the purpose of discussing matters related to pending current litigation and economic development, and on a roll call vote, the following vote was registered:

YEAS

NAYS

Merceria Ludgood
Connie Hudson
Randall Dueitt

The Chairman thereupon announced that the motion had been carried by majority vote of the Commission present.

President Hudson advised that the Commission would not reconvene at the conclusion of the Executive Session.

Motion carried unanimously.
