PRESENT RESOLUTION/PROCLAIM
OCTOBER 20, 2024 THROUGH OCTOBER 26, 2024
NATIONAL LEAD POISONING PREVENTION WEEK

WHEREAS, the Mobile County Health Department and the Alabama Childhood Lead Poisoning Prevention Program strive to support efforts to ensure that all children living in Mobile County are lead-free; and

WHEREAS, each year, National Lead Poisoning Prevention Week is a call to bring together individuals, organizations, industry, state, tribal, and local governments to increase lead poisoning prevention awareness to reduce childhood exposure to lead; and

WHEREAS, lead is a naturally occurring metal that can cause negative health outcomes. This observance highlights the many ways parents and guardians can reduce children's exposure to their environment and prevent serious health effects; and

WHEREAS, there is no safe blood lead level in children that has been identified, and even at low levels, it can cause permanent disabling conditions, developmental delays, and behavioral issues; and

WHEREAS, testing for elevated blood lead levels is encouraged for children ages 12 to 24 months or ages 24 to 72 months, if they have no record of ever being tested, and those living in high-risk neighborhoods; and

WHEREAS, we support federal, state, and local efforts, including those of the Alabama Childhood Lead Poisoning Prevention Program and the Mobile County Health Department, to keep children living in Mobile County lead-free;

NOW, THEREFORE, LET IT BE RESOLVED that the Mobile County Commission supports the efforts to advance the health and safety of all residents and proclaims October 20, 2024 through October 26, 2024, as National Lead Poisoning Prevention Week in Mobile County, Alabama.

Commission President Randall Dueitt: This morning, we have a few recognitions and presentations. Commissioner Ludgood will present the resolution for Operation Green Light. After the resolution is presented, I will explain to everyone where you can pick up your green light bulb.

PRESENT RESOLUTION/RECOGNITION OF
OPERATION GREEN LIGHT/VETERANS

WHEREAS, the residents of Mobile County have great respect, admiration, and the utmost gratitude for all the men and women who have selflessly served our country and this community in the Armed Forces; and

WHEREAS, the contributions and sacrifices of those who served in the Armed Forces are vital in maintaining freedom and the way of life enjoyed by our citizens. Mobile County seeks to honor individuals who have made countless sacrifices for freedom by placing themselves in harm's way for the good of all; and

WHEREAS, veterans continue to serve our community in the American Legion, Veterans of Foreign Wars, religious groups, and civil service by functioning as County Veterans Service Officers in 29 states to help fellow former service members access more than $52 billion in federal health, disability, and compensation benefits each year; and

WHEREAS, approximately 200,000 service members transition to civilian communities annually, an estimated 20 percent increase in the number of service members will transition to civilian life in the future. Studies indicate that 44 percent to 72 percent of service members experience high-stress levels during the transition from military to civilian life. Active military service members transitioning from military service are at a high risk of suicide during their first year after military service; and

WHEREAS, the National Association of Counties encourages all counties, parishes, and boroughs to recognize Operation Green Light for Veterans. The Mobile County Commission appreciates the sacrifices of our United States military personnel and believes specific recognition should be granted;

NOW, THEREFORE, LET IT BE RESOLVED with designation as a Green Light for Veterans County, Mobile County Commission declares from November 4, 2024 through Veterans Day,

November 11, 2024, is a time to salute and honor the service and sacrifices of our men and women in uniform transitioning from active service;

FURTHERMORE, in observance of Operation Green Light, Mobile County encourages its citizens to join in a patriotic tradition to recognize the importance of honoring all those who made immeasurable sacrifices to preserve freedom by displaying green lights in the windows of their place of business or residence from November 4, 2024 through November 11, 2024.

District 2 Commissioner Connie Hudson: Good morning. Two of the highest honors bestowed in our community each year by the Mobile Bay Area Veterans Commission are the Veteran of the Year and the Patriot of the Year. We will present them one at a time. I think it is appropriate for the president of the Mobile Bay Area Veterans Commission, Colonel Steve Carey, to join us as we present our Veteran and Patriot of the Year awards. First, we will present our Mobile Bay Area Veteran of the Year for 2024, Thomas G. Claxton. It is an honor for both gentlemen to be here today. This is an annual opportunity for us as a community to come together and express our admiration and respect for people who have dedicated their lives to serving our country, community, and citizens. We want to let them know how much we appreciate them, what they have endured in their careers and service to our country, and how these experiences have impacted their lives, our children, and the future of our nation. We are so happy to have you here today and to recognize you.

PRESENT RESOLUTION RECOGNIZING THOMAS G. CLAXTON AS MOBILE BAY AREA VETERAN OF THE YEAR 2024

Tom is the founder of the "Veterans Helping Veterans Car Show," one of the largest jeep and car shows on the Gulf Coast; and

Claxton for being recognized as the Mobile Bay Area Veteran of the Year 2024. We acknowledge your contributions, dedication, and commitment to the cause of our freedom. Thank you for your service, Thomas "Tom" G. Claxton.

Thomas G. Claxton: I did not realize that I had done all of that, but I am so proud and blessed to be considered and to win this award. God bless you. Thank you. God bless our veterans.

Thank you for your service, Sergeant Major Bryan B. Battaglia.

Colonel Steve Carey, president, Mobile Bay Area Veterans Commission, 1150 Government Street, Room 107, Mobile, Alabama 36604: Events like this really stand out. The Mobile Bay Area Veterans Commission was formerly known as the Veterans Day Commission. The name originated in the 1980s, initiated by senior military and civilian leaders in Mobile and Mobile County. Over the years, we have come to realize that we are more than just Veterans Day; we are now the Mobile Bay Area Veterans Commission. Events like this tell me that we should celebrate our Veterans and Patriots all year long. Veterans Day is an event we can celebrate every day of the year, not just around the holidays. That is our focus today. I have a special presentation to share with you. It is a neat scenario. The United States Department of Veterans Affairs has recognized Mobile, Alabama, as one of 57 cities nationwide as a regional site for Veterans Day; that is no easy feat. Mobile, Alabama, hosts the largest Gulf Coast Veterans Day Parade, among many other notable activities. The Mobile Bay Area Veterans Commission hosts a Veterans Day luncheon at 4:00 p.m. every Veterans Day to honor our Veterans and Patriots of the year. We also recognize fourth graders on both sides of Mobile Bay who have written essays about what Veterans Day means to them. If you want to smile and shed a tear, see the fourth graders read their essays. It is a great event and reminds everyone about the sacrifices of our veterans. I would like to present this recognition to the Mobile County Commission. It says the Veterans Day National Committee hereby designates Mobile County as a regional site for the observance of Veterans Day. Thank you for all that you do.

PRESENT CERTIFICATE OF APPRECIATION/
LAPEL PIN/RETIREES/NOVEMBER 2024

Commission President Randall Dueitt: Now, we will recognize County employees who will retire in November 2024.

- Timothy Michael Jenkins, 10 years, Computer Systems Manager, Revenue Commission

- Machell Marei Clinton, 21 years, Community Resources Officer, Sheriff's Office

Commission President Dueitt: Machell Marei Clinton, good morning. How are you? Thank you for being here. We wish to express our sincere gratitude for your 21 years of dedicated service to the citizens of Mobile County. We also wish you good health, happiness, and continued success in your retirement. Thank you for your service and for being here.

Commission President Randall Dueitt: In recognition of Operation Green Light for Veterans, show your support by shining a green light at your home or business. Free green light bulbs are available to the public. You can pick them up at the Mobile Government Plaza Information Desk, local libraries, the License Commission Offices, and the Revenue Commission Offices. We ask everyone to show their support; I do every year. The green light bulbs are limited to two per household.

Commission President Randall Dueitt: We have special guests from Mr. Gurley's Government class at Faith Academy: John O'Neal, Marylynn Folds, Izzy Pierce, and Lauren Phillips. Thank you for being here. It is always a pleasure to have Mr. Gurley's students here.

Commission President Randall Dueitt: Sharee, do we have any speakers?

Director of Public Affairs and Community Services Sharee Broussard: Yes, sir. We have Dr. Cindy Gipson of AltaPointe Health, who will present an award recognizing District 1 Commissioner Merceria Ludgood and District 2 Commissioner Connie Hudson.

PRESENT AWARD OF RECOGNITION/NATIONAL ALLIANCE ON MENTAL ILLNESS/FRIENDS OF THE COURT AWARD

Dr. Cindy Gipson, associate director, Crisis Services, AltaPointe Health, 2401 Gordon Smith Drive, Mobile, Alabama 36617: I am here with the vice president of the National Alliance on Mental Illness to present the Friends of the Court Award. Today, we recognize District 1 Commissioner Merceria Ludgood and District 2 Commissioner Connie Hudson for their outstanding advocacy for mental healthcare. Commissioner Hudson has been an active member of Mobile County for over 25 years, with extensive experience in both volunteer and public service. She has been pushing for the development and implementation of a mental health court in Mobile County for years. The mental health court officially launched April 2024, representing a significant effort. Its goal is to reduce the duration of incarceration for individuals with mental illnesses who are arrested due to their condition. Commissioner Ludgood is an attorney, civic leader, and District 1 Mobile County Commissioner. Her life and work exemplify her personal motto, "To whom much is given, much is required." In 2016, she presented the Stepping Up Proclamation to Mobile County and has since been a leading advocate for the Mobile County Stepping Up Initiative. This initiative aims to decrease arrests, reduce the length of jail time for individuals with mental illness, provide mental illness treatment, and reduce recidivism. She has supported efforts to divert individuals with mental health crises from jail by getting them the treatment they need. Commissioner Ludgood and Commissioner Hudson have been a dynamic duo, tirelessly working to improve access to treatment and divert individuals from incarceration. They work together every day, making the community a better place to live. Commissioner Ludgood and Commissioner Hudson have supported the use of sequential intercept mapping to identify gaps in services and resources where justice and mental healthcare intersect. They have supported pre-arrest diversion efforts, such as co-response with an officer and a clinician, as well as crisis intervention team training for law enforcement, which has reduced the number of negative outcomes associated with 911 calls. They have supported the Mobile County Stepping Up Initiative in mental health court as a post-arrest diversion, helping individuals reduce the length of incarceration and receive the treatment they need. They work tirelessly for the community, sometimes with little recognition. They deserve to be honored as the mental health champions they are.

ADD-ON #1

APPROVE MEMORANDUM OF UNDERSTANDING/MOBILE COUNTY PUBLIC SCHOOLS SYSTEM/COUNTY PROVIDES STAFF ON TEMPORARY BASIS/ACCESS AND CUSTODIAL SERVICE/PLAYGROUND/MIRACLE LEAGUE OF WEST MOBILE: SCHMIDT FAMILY PARK

District 3 Commissioner Randall Dueitt at the Mobile County Commission conference on Thursday, October 24, 2024, requested to add an item to the agenda as follows:

County Administrator E. Edwin Kerr: Would you like me to read the language of the proposed agenda add-on item?

Commission President Randall Dueitt: Yes, and I also ask if we agree to vote on it today.

County Administrator Kerr: Approve a Memorandum of Understanding with the Mobile County Public Schools System for the County to provide staff on a temporary basis with limited liability for access and custodial services to the playground at the Miracle League of West Mobile: Schmidt Family Park, pending legal review.

County Attorney Jay Ross: Restroom facilities should be included in the agenda language.

Commission President Dueitt: That is correct. I do not know how many of you saw our local WKRG News 5 on Wednesday evening, October 23, 2024, when the Mobile County Public Schools System spokesperson addressed the issue of why they could not open the gates at the Miracle League of West Mobile: Schmidt Family Park. I want to explain that the Mobile County Public Schools System does not typically operate parks; instead, it operates schools. A grand opening ribbon-cutting ceremony was held at the Miracle League of West Mobile on October 18, 2024. Many of the Schmidt family members donated the property for the park and contributed approximately $2 million to ensure its completion. There is an inclusive playground in the park that benefits children with special needs. The board members of the Mobile County Public Schools System agreed to hold the ribbon-cutting early because the Schmidt family was holding its board of directors meeting in Mobile. Most of them live out of town and wanted to attend the ribbon-cutting ceremony. The board members of the Mobile County Public Schools System proceeded with the ceremony, but they were not prepared to open the playground because they do not customarily run parks. They are in the process of hiring a park manager, but have not yet. People are upset that the park is not open, and my goal is to get the playground open. It is built and completed, with a parade of vehicles arriving. WKRG News 5 was at the park when, while interviewing a gentleman, three other vehicles passed. When you make a big production of a grand opening, people expect the park to be open. After numerous conversations with Chresal Threadgill, superintendent of the Mobile County Public Schools System, and some board members, my goal is to send a couple of our park rangers, who are already employed by the County, to open the park gates, restock the restrooms, and pick up trash. If we can get this Memorandum of Understanding passed, Mr. Threadgill thinks he can have it approved through his legal team, and hopefully, we can have the playground open by the weekend; that is my goal.

District 2 Commissioner Merceria Ludgood: Commissioner Dueitt, I understand the concern, and the park is a great asset for children who need special recreational opportunities. It is not a good thing for us to think that we can let children with all kinds of vulnerabilities into the park, and then have our staff stand back and say, 'all we can do is empty the trash and unlock the gate.' These children may have various types of equipment, including wheelchairs and oxygen tanks. I do not want to put them in a position where they are made more vulnerable because we have untrained staff there. We can say limited liability and all that, but if we step up and assume the risk, then we will be the ones people will look to. I really hate that the grand opening was miscommunicated. I am not prepared to vote for this today. I would love to see it open. I am a seasoned special education teacher, and I cannot, in good conscience,

take a step like this without being fully confident that we have the right people with the necessary skills to care for those children.

Commission President Dueitt: I do not think anyone is asking us to take care of the children. I would assume the children will not show up on their own. Children with special needs would typically have a parent or a guardian with them who is equipped to handle their specific needs. No one is asking me to do this. I have taken this upon myself because I think the park should be open, but I do not think anyone is asking us to go out and assist children with special needs. The playground is not specifically for children with special needs. It is an inclusive playground for all children. I am not asking, and I am certain the board members of the Mobile County Public Schools System are not asking us to assist children with special needs in utilizing the equipment. Again, I am asking that we open a gate and clean the restroom. We have a couple of attorneys present, including yourself. I do not see what liability the County would assume by opening a gate and cleaning a restroom. There is a liability in probably everything. The County paved the road to the playground. If someone falls at the playground, they might argue that they would not have been there if the County had not paved the road. This could lead to a lawsuit against the County because we paved the road that provides access to the area. I appreciate your thoughts, but it is a shame that the Mobile County Commission and the Mobile County Public Schools System, two of the largest employers in Mobile County, cannot figure out how to unlock a gate or clean a restroom. So, not only children with special needs, but all children in Mobile County can visit a park where a family donated the property and invested approximately $2 million in developing it. The playground is ready to be used, but it remains inaccessible due to three locked gates, which I cannot understand. I respect your opinion, but I see no liability in opening a gate and cleaning a restroom.

Commissioner Ludgood: Well, when we open the gate, the County is saying, come on in, we are responsible; that is what opening the gate means. I am not prepared to do that, as this was not something we anticipated. Commissioner Dueitt, I wish I could support you in this endeavor, but I am unable to do so.

Commission President Dueitt: County Administrator E. Edwin Kerr, Environmental Services Director Tina Sanchez, and Environmental Services Manager Matthew Jones, thank you for organizing this. The Mobile County Commission and the Mobile County Public Schools System should be ashamed that there is a park not only for children with special needs but for all children, and we cannot figure out how to get someone there to unlock the gate.

Due to a lack of consensus among the Commissioners, this item was not added to the agenda.

COMMISSION ANNOUNCEMENTS
AND/OR COMMENTS

District 2 Commissioner Connie Hudson: We had a wonderful afternoon yesterday at Escatawpa Hollow Park and Campground. We opened two new playgrounds, which are phenomenal. You really must see it to believe it. Commissioner Dueitt and his young daughters also joined us. We had a great time. I am grateful for all the help, support, and effort that went into completing the playground. This is part of the next phase of our work. There is so much more to do. I think Sharee said we had about 300 people at the park yesterday. We had a costume contest with about 60 children participating, which made judging quite challenging. We also had three of our park rangers there. The Environmental Services Department has been instrumental in all of this; they helped bring everything together. We will continue to move forward. We also opened a new walking trail, which is very nice. We have a lot more to do because we have expanded the park's size from 45 acres to approximately 230 acres. We will soon begin the next phase, which involves adding more cabins and possibly including some treehouse cabins. The park offers many exciting activities. I want to thank everyone who attended and helped make it such a success. The weekends are already packed, and this will only add to the enjoyment for everyone visiting.

Commission President Randall Dueitt: The playground is phenomenal. I had to feel the playground equipment to see if it was synthetic or made of real wood; it was made of real wood. I drove through the campground sites, and it was awesome, too. Fantastic job, and congratulations. The Dauphin Island Sea Lab Foundation is hosting its 12th Annual Marine Environmental Awards Luncheon on Wednesday, October 30, 2024, at 11:00 a.m., at the Battle House Renaissance and Spa Hotel. There will be a special presentation, and an award will be given to Commissioner Blankenship of the Alabama Department of Conservation and Natural Resources. It is a new award called the Sessions Brown Award. It was named in honor of Alabama Senator David Sessions and Alabama Representative Chip Brown in recognition of their advocacy for conserving land and waters in the Mobile Delta and Alabama watershed. Commissioner Blankenship is certainly a champion for Mobile County. In our favor, he always does a fantastic job. I cannot think of anybody more deserving of an award who has put more effort into preserving our waterways in Mobile County. For more information, please visit sealabfoundation.org.

MOTION CALLING FOR EXECUTIVE SESSION

County Attorney Jay Ross: I ask that the Mobile County Commission consider taking a recess to enter the executive session, which will last approximately 15 minutes to discuss potential threatened litigation. I certify that this is an appropriate reason to enter the Executive Session under the Alabama Open Meetings Act, as I am a licensed lawyer in good standing to practice law in the State of Alabama. After the executive session, there will be no need to return to the

meeting to vote on any items discussed in the executive session. You can adjourn from the executive session if that is the pleasure of the Commission.

President Dueitt moved, seconded by Commissioner Ludgood, that the Board recess into an Indigent Care Board Meeting and then reconvene in an executive session to discuss potential threatened litigation, and on a roll call vote, the following was registered:

YEAS	NAYS
Merceria Ludgood	None
Connie Hudson	
Randall Dueitt	

President Dueitt thereupon announced that the motion had been carried by majority vote of the Mobile County Commission present.

President Dueitt advised that the Commission would not reconvene at the conclusion of the executive session.

Motion carried unanimously.

AGENDA #47

There being no further business, the meeting was on motion, duly noted, seconded, and unanimously carried, adjourned.
