EFFICIENCY AND INNOVATION  
IN COUNTY GOVERNMENT AWARD

**President Merceria Ludgood:** I would also like to announce Mobile County recently received the Efficiency and Innovation Award from the Association of County Commissions of Alabama (ACCA) for its "Love Your Community" (LYC) program. Commissioner Connie Hudson was there and was able to make a presentation to other members of the Association of County Commissions of Alabama (ACCA). I think she has some takers who would like to do it in their community. She was able to receive the award on behalf of Mobile County.

Mobile County won in the urban category by having a population of more than 50,000 people. The anti-litter campaign, "Love Your Community" (LYC) program was launched in the spring of 2018 by the Mobile County Commission, Keep Mobile Beautiful, Inc., and the Alabama Coastal Heritage Trust, with the support of Mobile County Environmental Services and Environmental Enforcement, to encourage citizen-involved on-going cleanup and protection of our environment. The campaign, spearheaded by District 2 Commissioner Connie Hudson, allows teams of volunteers to

take a personal interest in the areas they care about most. Congratulations.

**Commissioner Connie Hudson:** Thank you. It's for all of us.

AGENDA #13

AWARD BID/BEN M. RADCLIFF, INC./  
PROJECT CIP-2019-005/CONVERT  
MINIMUM SECURITY BARRACKS  
TO MEDIUM SECURITY

**Commissioner Connie Hudson:** This may have been talked about at the Conference on Thursday, September 9, 2021. What are the major features that are being added? What is the difference for nearly eight million dollars (\$8,000,000.00)?

**Tyler Martin, Facilities Engineering Director:** Good morning, Commissioners. To upgrade this facility, we will upgrade the ceiling. Right now it is a typical business office ceiling. The new ceiling will be an upgraded detention-rated ceiling so inmates will not be able to

September 13, 2021

climb into the ceiling. It will include window upgrades so the windows will have detention-rated screens over them. Those two things are the primary upgrades. There are some smaller upgrades that change the facility such as ventilation changes.

**Commissioner Hudson:** How many beds are in the barracks?

**Tyler Martin:** There are currently three hundred twenty-five (325). I think we will be able to relieve some of the overcrowding at Metro Jail with this change.

AGENDA #16

APPROVE REQUEST/4627 GENERAL  
ROAD/DISTRICT 3/PUBLIC NUISANCE

**Jay Ross, County Attorney:** Commissioners, Tom Waters, Inspection Services Director, would like to give the Commission an update on the building and provide more detail.

**Tom Waters, Inspection Services Director:** Good morning, Commissioners. The Building Inspections Department followed up on a complaint from the community in April 2020 regarding 4627 General Road, Mobile, Alabama in District 3. What we found was a house or structure that had been severely damaged by fire. It has been damaged beyond sixty percent (60%) of its original capacity or original value. It is not suitable for rehabilitation. The property was abandoned. The Legal Department has made a number of efforts to contact the property owner to have them take care of the situation. As of Friday, September 10, 2021, there has been no change to the property. The property remains abandoned and the structure remains in its dilapidated state.

**Commissioner Connie Hudson:** Is it a public safety hazard?

**Tom Waters:** Yes, Commissioner. It is a public safety hazard. There are walls that could topple over at any time. Even the property is not secured against casual entry. Anyone can walk into it, plunder around, and get hurt.

**Commissioner Dueitt:** I have also responded to this property several times. Like Tom Waters, Inspection Services Director said, there is a structure there that is falling down. It has turned into a homeless camp basically. There are residents on both sides who are afraid to even let their children out in the yard.

September 13, 2021

A dilapidated camper was recently removed. I don't know if you saw that in the backyard near the woods recently. At one time I was able to make contact with the owner. It was one of those deals where they come in and they buy the deed from back taxes. It was some company but I don't remember from where.

**Jay Ross:** Guardian Tax Associates LLC.

**Commissioner Dueitt:** After my initial conversation with them, they have refused to call me back or answer my calls. I think we are making the right decision on this piece of property.

Commissioner Hudson moved, seconded by Commissioner Dueitt, that the Board approve request for Mobile County Commission to determine whether or not the building or structure located at 4627 General Road, Mobile, Alabama (District 3) constitutes a public nuisance. Legal owner has not responded to County Official's 60-day letter in which to file a written request for a hearing before the Mobile County Commission.

Motion carried unanimously.

**Commissioner Hudson:** Thank you, Tom Waters, Inspection Services Director.

**Commissioner Dueitt:** Thank you for being here.
