PROJECT NO. MCR-49-801
(Sheet 1 of 7)

NAME AND LOCATION: Howell's Ferry Road

From: Cody Road
To: Snow Road

Description: This is an existing paved road that is to be widened and resurfaced. Leveling, patching, shoulder work, paint striping, pavement marking, and intersection improvements at Schillinger Road will be a part of this project.

Bridges: One

Length: 4.7 Miles

NAME AND LOCATION: Dawes Road

From: Airport Boulevard
To: Scott Dairy Loop Road

Description: This is an existing paved road that is to be widened and resurfaced. Leveling, patching, shoulder work, paint striping, pavement marking, and intersection improvements at Airport Boulevard will be a part of this project.

Bridges: None

Length: 4.6 Miles

NAME AND LOCATION: Scott Dairy Loop Road

From: Dawes Road
To: Johnson Road

Description: This is an existing paved road that is to be resurfaced. Leveling, patching, shoulder work, paint striping, and pavement marking will be a part of this project.

Bridges: None

Length: 1.9 Miles

PROJECT NO. MCR-49-801
(Sheet 2 of 7)

NAME AND LOCATION: Johnson Road

From: Dawes Road
To: Scott Dairy Loop Road

Description: This is an existing paved road that is to be resurfaced. Leveling, patching, shoulder work, paint striping, and pavement marking will be a part of this project.

Bridges: None

Length: 1.4 Miles

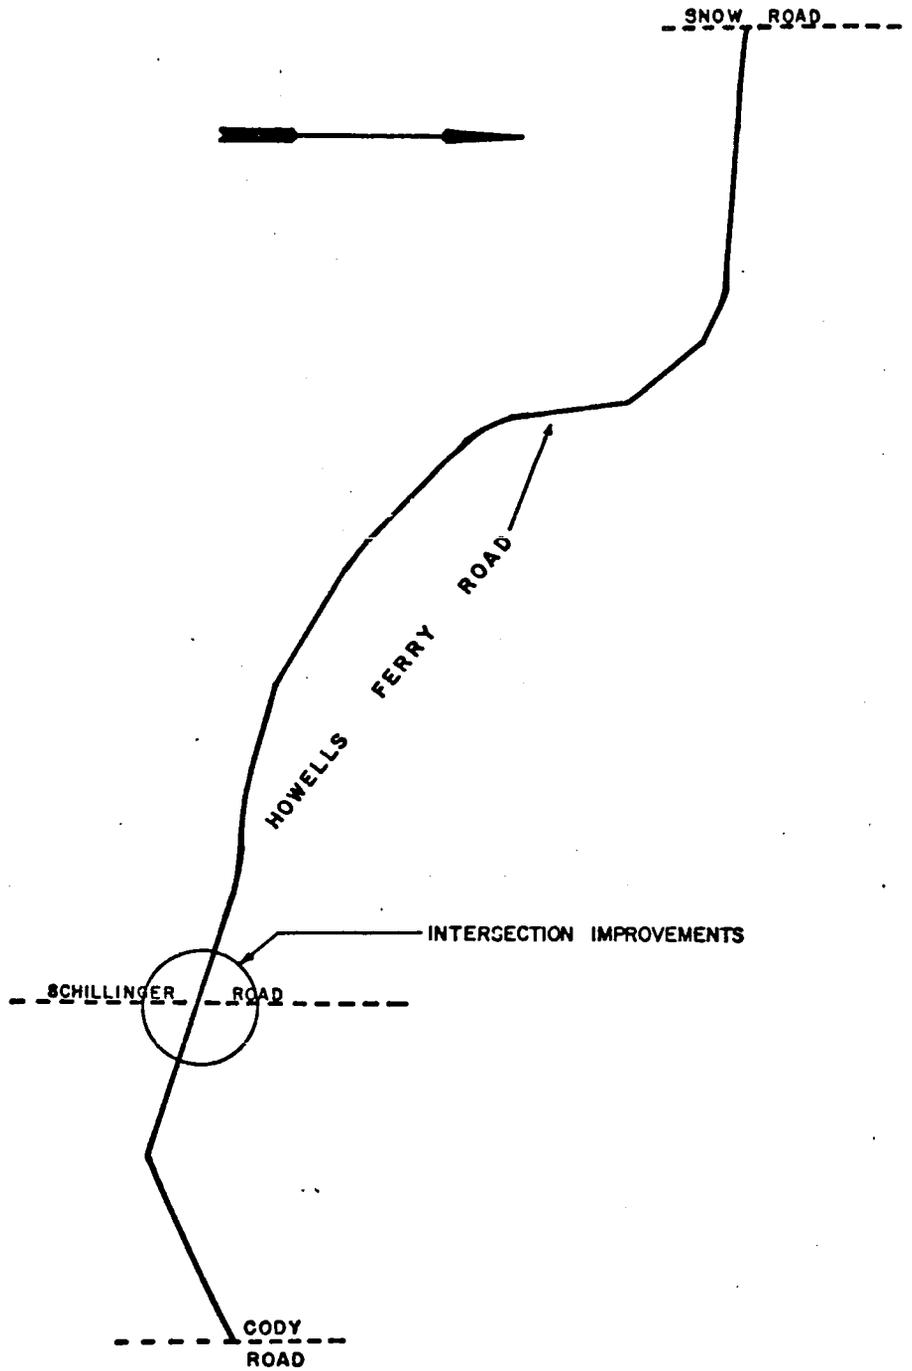

NAME AND LOCATION: Cottage Hill Road

From: Schillinger Road
To: Dawes Road

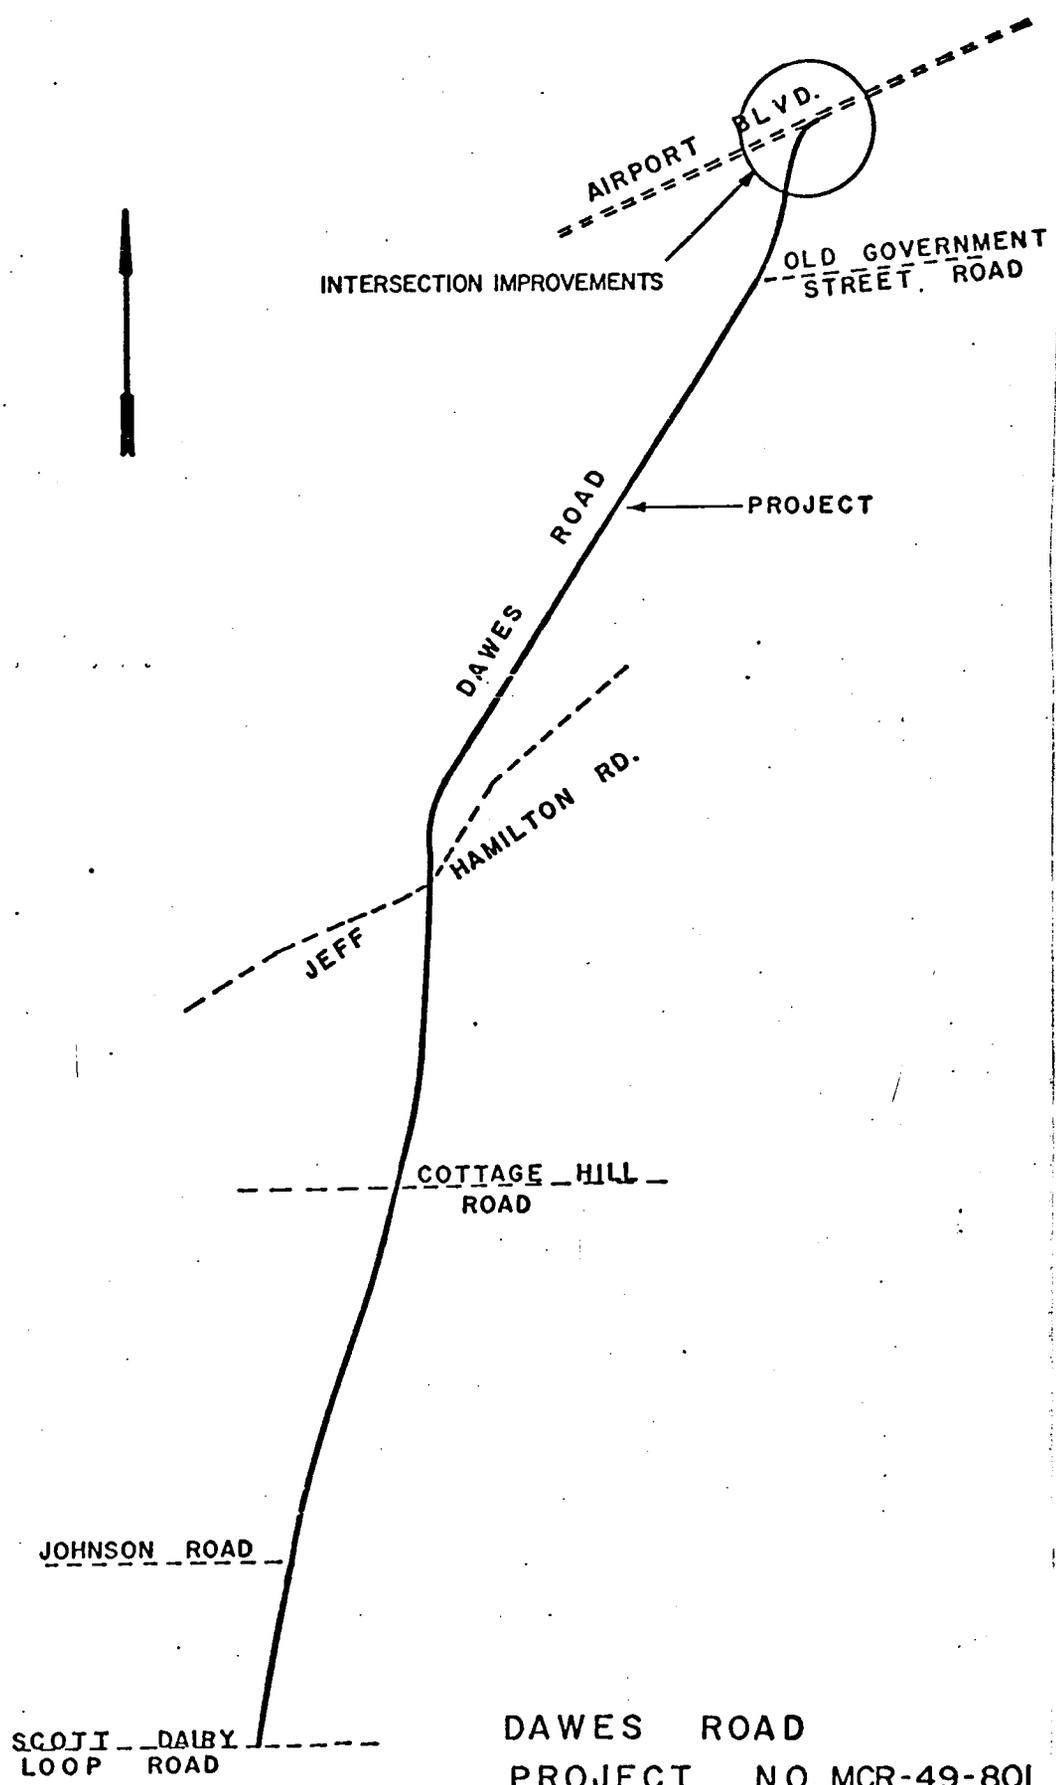

Description: This is an existing paved road that is to be widened and resurfaced. Leveling, patching, shoulder work, paint striping, pavement marking, and possible intersection improvements, if needed, at Schillinger Road and Dawes Road will be a part of this project.

Bridges: None

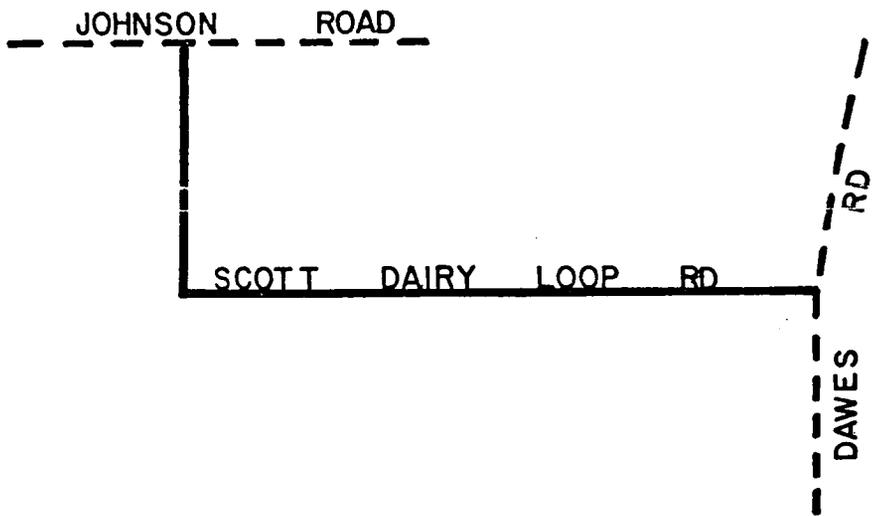

Length: 1.5 Miles

PROJECT NO. MCR-49-802
(Sheet 1 of 2)

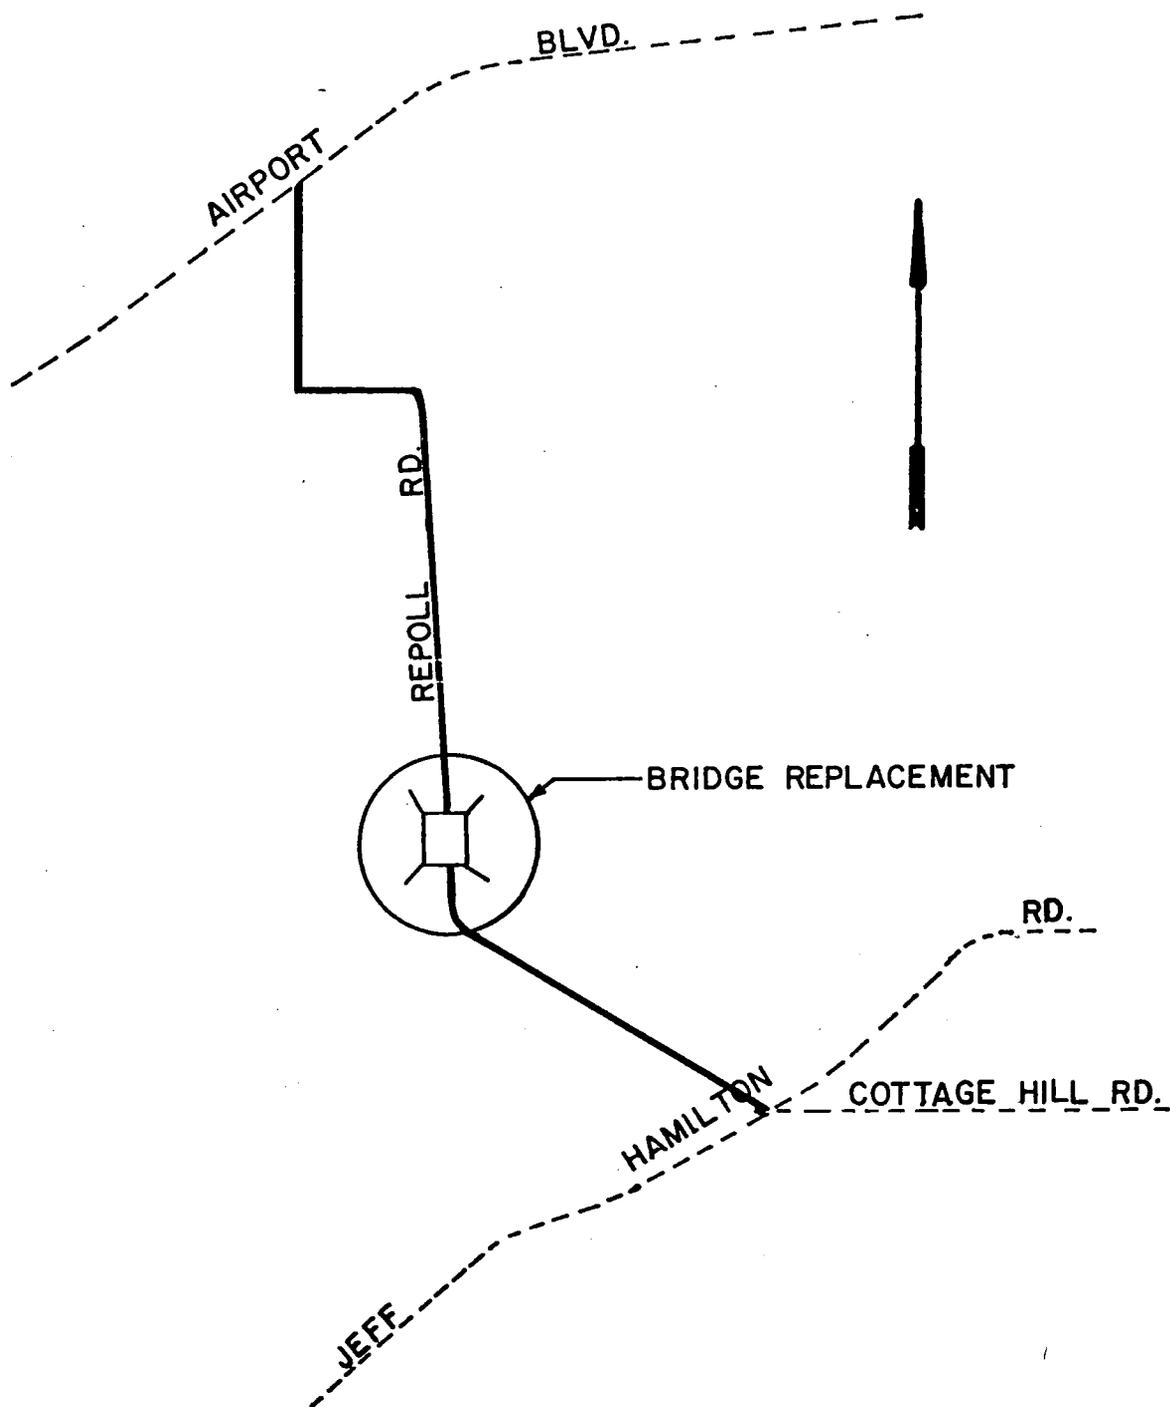

NAME AND LOCATION: Repoll Road

From: Jeff Hamilton Road
To: Airport Boulevard

Description: This is an existing dirt road that is to be graded, drained, based, and paved. Bridge replacement, paint striping, and pavement marking will be a part of this project.

Bridges: One

Length: 2.6 Miles

REPOLL ROAD
PROJECT NO. MCR-49-802
(SHEET 2 OF 2)

PROJECT NO. MCR-49-803
(Sheet 1 of 3)

NAME AND LOCATION: Three Notch Road

From: Old Pascagoula Road
To: McDonald Road

Description: This is an existing paved road that is to be widened and resurfaced, Leveling, patching, shoulder work, paint striping, pavement marking, drainage improvements, intersection improvements at Old Pascagoula Road, Carol Plantation Road, and Schillinger Road will be a part of this project.

Bridges: None

Length: 4.1 Miles

NAME AND LOCATION: Carol Plantation Road

From: Three Notch Road
To: Old Pascagoula Road

Description: This is an existing paved road that is to be resurfaced. Leveling, patching, shoulder work, paint striping, pavement marking, and intersection improvements at Three Notch Road will be a part of this project.

Bridges: None
