As a condition for the award of a competitively bid contract to a company having one or more employees in the State of Alabama, the Beason-Hammon Alabama Taxpayer Citizenship and Protection Act, codified at Section 31-13-1, et seq., Code of Alabama (1975), as amended, requires that the company provide, in advance, proof of enrollment in E-Verify. E-Verify is an internet based system operated by the U.S. Department of Homeland Security, which may be used to determine the eligibility of new hires to work in the United States. Further information about enrollment in E-Verify may be found at www.uscis.gov/everify and www.Verify.Alabama.gov.

As proof of enrollment in E-Verify, Mobile County requires a copy of the electronically signed signature page of the contractor's Memorandum of Understanding with the U.S. Department of Homeland Security or Alabama Department of Homeland Security (contractors having fewer than 25 employees may enroll in E-Verify through the state Department of Homeland Security).

Please complete the following and return with your bid:

_____ (company name) has no employees in the
State of Alabama

Or

_____ (company name) is enrolled in E-Verify and a
copy of the electronically signed signature page of the company's Memorandum of Understanding is

SPECIFICATION FOR ASPHALT PLANT MIX

ASPHALT PLANT WILL BE IN MOBILE COUNTY, ALABAMA.

Item 424 shall meet State of Alabama Department of Transportation Standard Specifications for Highway Construction, 2022 Edition. The estimated quantity for 424-A, B and/or C is 35,000 tons.

This bid is intended to comply with the Rebuild Alabama Act, No. 2019-2 and Alabama Code Title 41, the Alabama Competitive Bid Law. Bidders shall be required to comply with the provisions of the Rebuild Alabama Act, No. 2019-2 and Title 41 of the Alabama Code regardless if the requirement is explicitly detailed in the bid proposal or not.

Only bids from contractors or material suppliers listed on the Alabama Department of Transportation (ALDOT) approved list of contractors and material suppliers will be accepted.

Mobile County will award this bid to all responsive bidders. The purchase of materials will be based on a project-by-project basis considering haul distance to the project from the supplier's plant. This will be accomplished by checking the actual road mileage to the project site from each of the supplier's plants, then applying a haul cost of \$.20 per ton per mile to decide the plant with the lowest price for that project.

If the low supplier as determined by the method described above for a particular project cannot supply the materials that we need for a project at the time we need it, Mobile County reserves the right to purchase the materials from the next lowest price supplier.

Any political subdivision within Mobile County must be allowed to purchase off contracts resulting from this bid invitation at the same price offered Mobile County.

1. **PAYMENT**

Payment will be made monthly. Invoices will be submitted weekly to the County Road and Bridge Department Supply Section, Supply Supervisor, 7511 Howell's Ferry Road, Mobile, AL 36618. Some invoices may have as few as three (3) days or as many as eight (8) days depending on the day the end of the month falls. A separate invoice will be submitted for each type of material supplied to the County.

Each invoice will show the inclusive dates of the period covered by the invoice and will include the following attachments:

- (a.) dray tickets for each load of materials supplied, arranged in chronological order.
- (b.) the approved mix formula used in producing the material.
- (c.) the bituminous material price adjustments as referenced in Section 109.03(e) of the Alabama Department of Transportation's, Standard Specifications for Highway Construction, 2018 edition.

2. **RESPONSIBLE PARTY AS REPRESENTATIVE OF SUPPLIER**

Upon notice of award, each supplier will provide written notice to the County Engineer and Director of Public Works of the responsible party and at least one alternate as the person to contact for placement of orders and for settlement of dispute

JOB MIX FORMULA

3.

The supplier will submit an approved job mix formula, for each type of mix for each plant, to Mobile County Engineer and Director of Public Works within 10 days of notice of award of bid before any purchases can be made from the supplier.

All job mix formulas submitted will be approved by the Alabama Department of Transportation or a Mobile County approved testing laboratory, employed by the supplier. The job mix formula will include the Source ID Numbers as shown in the Alabama Department of Transportation "Material, Sources, and Devices with Special Acceptance Requirements" Manual. If sources change, a new approved job mix formula will need to be submitted. The job mix formula should not be dated prior to January 2014.

Verification of the job mix or quality of material may be requested at the discretion of personnel from Mobile County.
