RE: BID NO. 116-22 ANNUAL LIFE SAFETY TEST AND INSPECTION FOR MOBILE COUNTY COMMISSION:

### Please Review:

1. Question: There were a couple of clean agent system reports included in the packet that are not in the buildings listed in the Bid Request, 510 S. Royal St. (Sheriff's Department) and 3925 Michael Blvd (Revenue Commission. Do those need to be included in the bid?

Answer: The clean agent system reports for the 510 S. Royal St. (Sheriff's Department) and 3925 Michael Blvd. (Revenue Commission) were included by accident. They are not included in the bid.

2. Question: Who can give us written permission to use a subcontractor for dampers etc?  
What is the policy if one line of scope cannot be included in our bid?

Answer: It is not necessary for the prime contractor to perform all the work with their forces. It is allowable to hire subcontractors to perform work which is generally outside of the expertise of that prime. However, the bid must include all work outlined within the scope of work.
