IDIQ Master (on-call) Contract for Professional Engineering and Design Services Addendum

1. Are the required forms (SF 330 Part II, Exhibits D, E, and F) count towards the 20-page limit?
 - No, all forms do not count towards the 20-page limit

2. Since this is an On-Call contract and there are numerous projects under consideration for the use of these ARPA Funds, Can a firm submit a response as a Prime and as a sub-consultant on another Prime's Team? (For Example: an Engineering Firm submits as a Prime for an Engineering Services Project but as a sub-consultant to an Architect submitting as a Prime for an Architectural Project)
 - Yes, you can submit as a Prime and as a subconsultant on another Prime's Team

3. Under Project Team/Level of Participation, the last bullet: Are we required to submit a copy of each sub-consultant's Certificate of Authorization number or a copy of the full-page Certificate? If the full-page Certificate is required, will these pages be included in the 20-page limit?
 - Only a Certificate of Authorization number will be required. A copy of the full-page certificate will not be required.
