From:

Deputy Environmental Services Director

Re: Mobile County Post-Disaster Debris Removal

Date: September 23, 2026

This Addendum forms a part of, and modifies, the Bid Documents for the above-referenced project, dated August 19, 2026. Acknowledge the receipt of this Addendum No. 1 and all subsequent Addenda, if any, in the space provided on the Bid Form. Bid Form will be updated in a subsequent addendum. Failure to do so may subject Bidder to disqualification.

GENERAL:

Item 1. Sealed bids are due no later than **10:00 A.M. local time, Wednesday, October 21, 2026.**

Item 2. Award or Rejection of Bids. The following language is hereby added to and incorporated into the Bid Documents:

AWARD OR REJECTION OF BIDS:

The contract will be awarded to the lowest responsible and responsive bidder complying with conditions of the invitation for bids, provided their bid is reasonable and it is in the interest of the owner to accept it. The bidder to whom the award is made will be notified at the earliest possible date. The owner, however, reserves the right to reject any and all bids and to waive any informality in bids received whenever such rejection or waiver is in the interest of the owner. It also reserves the right to reject the bid of a bidder who has previously failed to perform properly or complete on time, similar projects, or a bid of a bidder who is not, in the judgment of the owner, in a position to perform the contract.

When determining the responsibility of bidders, the County will consider factors that establish the bidder has the qualities necessary to successfully perform the work specified in this bid packet. This will include, but not be limited to: the bidder's specific experience with projects similar in nature; the bidder's current and past performance on County, State, and/or Federal projects; any claims the bidder has made against the County in the last five (5) years relating to any County projects; significant cost differences or abnormalities between the bids for this project; bidder's past practices of unbalanced bidding and/or the use of change orders to increase the cost

of a project; and any other matter relating to the bidder's competence to perform the work specified in the project documents.

The bidder is defined as the contracting company submitting the bid, not the individual signing the proposal for the contracting company or any individual employee of the company. The County may, at its sole discretion, request additional information or documents from any bidder relating to the topics referenced in this paragraph, or any other subject the County deems relevant to assess the bidder's ability to perform the work specified in the bid packet.

Item 3. Questions and Answers. All bidder questions received by the County and the County's responses thereto will be incorporated into and issued as Addendum Number 2.
