The following discrepancies were identified during the proposal review and bid tabulation process:

- ▼ **Rob Middleton Construction, LLC** - Executed the Proposal in the dedicated space for a Corporation, which was not the correct location for an LLC.
- ▼ **HCL Contracting, LLC** – No errors were noted.
- ▼ **Gibson Construction Services** – Contractor did not write ROADWAY TOTAL on proposal.
- ▼ **Kingdom Construction Group, LLC** – Proposal had no name listed under Name and address of member of firm. Contractor miscalculated the total cost of some pay items but it did not change the total bid amount submitted.
- ▼ **Frank Turner Construction Co., Inc.** - Proposal was not dated.
- ▼ **APAC Alabama** – Contractor did not submit the full contract. Item XIII Geotechnical Report & Recommendations was missing from the contract submitted. Contractor miscalculated the total cost of some pay items but it did not change the total bid amount submitted.
- ▼ **Wiregrass Construction Company, Inc.** – No errors were noted.

After reviewing the bid documents and tabulation results, the low bid submitted by Rob Middleton Construction, LLC, in the amount of \$2,843,341.54, appears reasonable for the scope of work required under this contract. The Engineer's Estimate for the project was \$3,993,678.67, and the low bid is approximately 28.8% below the estimate. The bid was also reviewed for indications of unbalanced pricing, and no concerns were identified.

Based on our review, we recommend that Rob Middleton Construction, LLC be considered for award of the contract, subject to the County's review and approval of all required bid documents and contractor qualifications.

Upon receipt of authorization from Mobile County, we will proceed with preparation of the contract documents.

Hard copies of these documents along with the submitted bidders' proposals will be delivered to your office.

Should you have any questions or require additional information, please do not hesitate to contact us.

Sincerely,
