RE: Mobile County Project City of Semmes Resurfacing Tabulation of Bids
Driven Engineering Project No. 25012

Mr. Barclift,

Enclosed please find the four (4) original bid packages that were received and three (3) copies of the certified bid tabulation spreadsheet on the above-mentioned project. All the submitted bids contained a bid bond and acknowledgement of Addendum No. 1.

The final engineer's estimate was \$665,737.48 with changes incorporated in Addendum No. 1. Four (4) bids were received. The lowest bid was submitted by HCL Contracting LLC for \$577,500.00, second lowest bid was submitted by Arrington Curb and Excavation for \$605,797.97, and the highest bid was submitted by Kingdom Construction Group for \$916,159.99.

We have reviewed the unit prices submitted by all bidders and found no errors in calculations, and no observation of unbalanced bidding was observed.

After complete analysis of the bidding documents, we respectfully recommend acceptance of the low bid from HCL Contracting, LLC, in the amount of \$577,500.00.

Sincerely,
Driven Engineering, Inc.
