

MOBILE COUNTY WATER, SEWER AND FIRE PROTECTION AUTHORITY

Certificate of Incorporation dated January 16, 1967

Established:

Mobile County Water, Sewer and Fire Protection Authority, a public corporation organized and existing under Article I of Code of Alabama 1975, Section 11-88-1, et seq. The Mobile County Commission, the governing body of Mobile County, Alabama, adopted a resolution approving the application to amend the Articles of Incorporation to increase the Board membership from three to five members on October 13, 1994.

Purpose:

To provide water, sewer and fire protection services in the service area of the corporation and operate as a public water and sewer system and as a public fire protection facility.

Board Appointments:

The Board of Directors consists of five (5) members who must be over the age of twenty-one (21) years, a resident of and property owner of Mobile County.

TERMS:

Six (6) years
