

NOTICE OF PUBLIC ENGAGEMENT MEETING
MOBILE COUNTY COMMISSION CDBG-DR PUBLIC ENGAGEMENT MEETING

The United States Department of Housing and Urban Development (HUD) has allocated Community Development Block Grant-Disaster Recovery (CDBG-DR) funding to assist the Alabama Department of Economic and Community Affairs (ADECA) in rebuilding and recovering from the damage caused by Hurricanes Sally and Zeta. The Mobile County Commission is a Subrecipient to ADECA for a portion of the funding and before these funds can be utilized, the County Commission must prepare and submit a Local Recovery Plan. To ensure the community needs are accurately reflected in the Plan, the Mobile County Commission will host a series of Public Engagement meetings for individuals, businesses, organizations, and agencies in the communities most impacted by Hurricanes Sally and Zeta.

The County Commission will host its first virtual public engagement meeting with municipalities and tribal representatives to introduce the CDBG-DR funding and proposed activities on the date, time, and location shown below:
