## **MOBILE COUNTY PUBLIC WORKS**

### **NOTICE**

### **MOBILE HOME CHECKLIST**

Items required before electrical service can be established:

1. Percolation Test Number from Mobile County Health Department (251-634-9801) (For electrical permit).
2. Legal description of property (For electrical permit).
3. The address given to you by Mobile County Inspection Services is the 911 number assigned by the Mobile County Engineering Department.
4. Mobile County Inspection Services requires the HVAC (Heating, Ventilation, and Air Conditioning) be permitted before inspection.
5. Mobile County Inspection Services requires the Plumbing (connection to approved disposal and water line) be permitted before inspection.
6. Apply to Alabama Power for service (after the electrical permit is taken out from Mobile County Inspection Services) before the inspection is completed.
7. State of Alabama Manufactured Housing Commission inspection decal plus the installer's decal must be affixed. Should you have further questions please contact:

Alabama Manufactured Housing Commission  
350 S. Decatur Street  
Montgomery, AL 36104  
334-242-4036

8. It takes 24 hours for Alabama Power to enter information into their system after receiving the release from Mobile County Inspection Services.
